**Roosevelt Ranch** Elise Faber,2021-02-22 Disaster at Roosevelt Ranch I slept with the wrong twin And all I got for it in return was a broken heart Oh yeah and a baby on the way there was that too But I m determined to make it on my own I don t need a man thank you very much Not rich charismatic and decidedly flighty Rex Roosevelt and especially not his twin brother Justin The trouble was Justin refused to leave me be And deep down I don t want to avoid him Deep down I want to be even closer Heartbreak at Roosevelt Ranch I had it all Two beautiful children A gainfully employed husband A successful food blog The only thing missing from my life was heat And I wanted to live To live loudly and without fear But something was happening with Rob Had he fallen out of love with me Had he found someone else Was I not Sigh Was I not enough Collision at Roosevelt Ranch It began with a collision Not in the sense of souls colliding or even stars aligning but in a real life totally her fault bumpers crunching frames bending airbags deploying crash Haley Oh Haley Why was she such a mess Regret at Roosevelt Ranch Henry Miller was nobody He used to be an up and coming chef in New York City training under one of the most famous celebrity chefs in the world with a gorgeous fianc at his side But that had been five years before Then his ex Isabella showed up in town with a new fianc in tow Then he found out why she had left And it changed everything Desire at Roosevelt Ranch Rex Roosevelt doesn t believe in love He believes in women in sex and in avoiding any and all types of responsibility He also definitely doesn t believe in is playing the white knight by rescuing women but he d saved Tilly She d needed rescuing and even though Rex didn t know the first damned thing about being a white knight he d helped her And then Well she made him feel something he d never thought his cold dead heart would ever feel again Love Christmas at Roosevelt Ranch Ah Christmas The most miserable time of the year Elizabeth hated it She had too much work to do to stop and hang lights or wrap presents or waste time beneath the mistletoe Or maybe she hated it and especially the mistletoe because she didn t have anyone to kiss Yeah maybe that too But the she was derailed by a flat tire a broken doorknob and an extremely handsome mechanic And perhaps the best laid plans were made to be broken especially when this Christmas might prove to warm even her Scrooge heart Commerce Business Daily ,1997-12-31 The Myth of Chinese Capitalism Dexter Roberts,2020-03-10 The vivid provocative untold story of how restrictive policies are preventing China from becoming the world s largest economy Evan Osnos Dexter Roberts lived in Beijing for two decades working as a reporter on economics business and politics for Bloomberg Businessweek In The Myth of Chinese Capitalism Roberts explores the reality behind

today's financially ascendant China and pulls the curtain back on how the Chinese manufacturing machine is actually powered. He focuses on two places: the village of Binghuacun in the province of Guizhou, one of China's poorest regions that sends the highest proportion of its youth away to become migrants; and Dongguan, China's most infamous factory town located in Guangdong, home to both the largest number of migrant workers and the country's biggest manufacturing base. Within these two towns and the people that move between them, Roberts focuses on the story of the Mo family, former farmers turned migrant workers who are struggling to make a living in a fast-changing country that relegates one half of its people to second-class status via household registration, land tenure policies, and inequality in education and health care systems. In *The Myth of Chinese Capitalism*, Dexter Roberts brings to life the problems that China and its people face today as they attempt to overcome a divisive system that poses a serious challenge to the country's future development. In so doing, Roberts paints a boots-on-the-ground cautionary picture of China for a world now held in its financial thrall. Praise for *The Myth of Chinese Capitalism*: A gimlet-eyed look at an economic miracle that may not be so miraculous after all. Kirkus Reviews. A clearheaded and persuasive counter narrative to the notion that the Chinese economic model is set to take over the world. Readers looking for an informed and nuanced perspective on modern China will find it here. Publishers Weekly. A sophisticated and readable take of China's triumphs and crises. A first-hand witness to China's transformation over the past quarter century. Roberts credibly challenges the myth of China's inevitable rise and global dominance. Ian Johnson, Pulitzer Prize-winning author and Beijing-based correspondent. A potent mix of personal stories and deft analysis. *The Myth of Chinese Capitalism* takes a hard look at China's migrants and rural people. Mei Fong, Pulitzer Prize-winning journalist and author of *One Child: The Story of China's Most Radical Experiment*. Text Me B. Bonin Bough, 2016-08-16. What's bigger than the internet? Putting it in every pocket and in every purse. This changes everything in ways we are only beginning to understand. Mobile devices have become staples of daily life, and our nonstop use of them has changed society forever. In *Text Me*, B. Bonin Bough, one of the world's leaders in digital marketing, explores the exciting impact and future implications of mobile devices and digital communication on individuals, companies, and society. Including insights from the minds behind Coca-Cola, Conde Nast, NASCAR, and Twitter, Bough breaks down the often counterintuitive ways mobile devices and digital data are reshaping the way we experience, consume, and think, including: Why consumers now have more control of their shopping and spending. How mobile phones have actually rescued language. Why parents, not kids, should put down their phones. How our relationship with politicians has evolved and improved. Why cell phones have improved our interaction with our surroundings, not hindered it. How mobile devices are enabling us to better monitor and enhance our personal health. *Text Me* is a fascinating, funny, entertaining exploration of how our mobile society is changing the way we are behaving, reacting, thinking, learning, parenting, dating, having sex, eating, worshipping, exercising, and buying. It will challenge, surprise, provoke, and inspire you. Yes, the number on the cover is real. Text B. Bonin Bough at 646-759-1837 with your answers to any of the questions called out.
