yourself This book will not repeat the slogan Find your Voice but will ask you to consider how your moral weaknesses are inhibiting your creativity Examining the current creative culture The Humble Creative argues that creativity can easily become disordered by vices that Christianity has long understood but most have forgotten vices such as vainglory envy sloth anger lust of the eyes greed and pride The Humble Creative integrates the long held Christian understanding of moral vice with creativity providing an accessible exploration of individual vices and their role in disordering creativity ultimately offering exercises for moral and creative formation Written in an accessible way this book explores the stories of several individuals whose creativity have become disordered by vice introducing the reader to the often overlooked relationship between the moral character of the creative and the successful pursuit of flourishing creativity Life Unlimited Tray Rush,2025-07-15 So many people let life pass them by without going after the things that truly make them happy Life Unlimited is here to remind people of what s possible and show them the way to the life of their dreams In 2012 Tray Rush was struggling to make ends meet He tried switching jobs taking on second jobs and pursuing countless failed can t miss business opportunities in an effort to turn things around Nothing worked Fearing his dream of becoming an entertainer and building a life of freedom as an entrepreneur would never happen he tried something different He quit job hopping and chasing after mindless side hustles and began studying the best minds in human behavior success and self help Then he turned what he learned into a series of simple steps he could take every day To his surprise two things happened First his mindset changed and he began to see the world differently Next his behavior changed and he became more focused with his actions And sure enough he began achieving more by doing less and his dream of becoming an entertainer started to bear fruit on YouTube In just a few years Tray amassed more than 10 million social media followers billions of views on YouTube and a thriving business and real estate portfolio Tray s transformation was achieved by a system that can be used by anyone to identify pursue and live Life Unlimited Researched and tested in the real world it has been shared with those who noticed Tray s progress and asked how he did it Now it s available to everyone **Journal of the Senate of the United States of America** United States.
