Pro Football Schedules Ivan Urena, 2013-12-03 This book explains how the NFL determines each team's opponents and how the league's scheduling format has evolved throughout the years. It includes a history on the evolution of the pro football schedule, explores all of the scheduling formulas used in the National Football League, American Football League, and the All America Football Conference, and presents home and away opponent charts from 1933 through the 2017 season. My Summer as a Cub R. Rathbone Leonard, 2011-09-22 Lenny Puddock writes of his experiences as a Chicago Cub during the 2011 baseball season. Puddock is a 32-year-old physical therapist for the Indianapolis National Institute of Fitness and Health who attended Randy Hundley's Fantasy Camp. Part of the Fantasy Camp experience is his developing friendship with Gertrude Castellano, a waitress who becomes a singing star. They romance at a distance. Puddock is invited to the Cubs Spring Training after an outstanding performance at the Camp. The Cubs offer him a contract with the Daytona Class A team, and he accepts. Puddock is moved up to Class AA Tennessee in mid-May and is called up to the Cubs in mid-July. He was batting .378. In mid-August, Mike Quade resigns as manager. Ryne Sandberg, who had an escape clause in his contract with a Phillies Minor League team, becomes the Cubs manager. When Puddock joined the parent club, the Cubs were 10 games out of first place. By the end of August, they are four from the Wild Card spot. In the waning days of August, the roster was two short due to injuries. Sandberg did not want to disrupt the Iowa or Tennessee playoff-bound teams, so he activated Greg Maddux and himself, thinking the roster had to contain the maximum 25 players. Plans were to activate two players before the August 31 midnight deadline, but due to an intern's goof not recognizing the difference in Eastern Standard Time and Central Standard Time, the move came too late. In essence, the Cubs would have only a 23-player Post Season roster. The Cubs win their Division and League playoffs and enter World Series for the first time in 76 years. In an amazing ninth inning of the seventh game, the Cubs win the Series. The Man Who Built the National Football League Chris Willis, 2010-08-19 Founded in 1920, the National Football League chose famed athlete Jim Thorpe as its first president, a position he held briefly until a successor was elected. From 1921 to 1939, Joe F. Carr guided the sport of professional football with intelligence, hard work, and a passion that built the foundation of what the NFL has become: the number one sports organization in the world. During his eighteen-year tenure as NFL President, Carr created the organization's first Constitution, implemented the standard player's contract, wrote the NFL's first ever Record and Fact Book, helped split the NFL into two divisions, and established the NFL's World Championship Game. Started keeping league statistics and developed the NFL Draft. But Carr's greatest achievement was creating a vision for the NFL as a big city sport. By skillfully recruiting financially capable owners to operate NFL franchises in big market cities, he created the solid foundation for the league's successful future. While the sport has grown to unheard-of heights, Carr's name and accomplishments have been lost and forgotten. *The Man Who Built the National Football League* Joe F. Carr captures the life and career of this pivotal figure in professional sports, chronicling the many achievements of a
