

A romantic fantasy illustration of a young man and woman sitting on a large, ornate blue armchair in a vast library. The woman, with long brown hair and a white headband, wears a white dress with a blue skirt and holds a green book. The man, with dark hair, wears a brown patterned jacket and holds a quill pen over an open book. A glowing, ethereal figure of a woman in a white dress appears behind them, surrounded by swirling purple and pink smoke. The library is filled with tall bookshelves of books, a small table with a lit candle, and several books scattered on the floor. The word "Romantasy" is written in a large, white, cursive font across the bottom of the image.

*Your Summa Cum Laude, MD/PhD, Cooler Than You Big Brother's Guide for Success in College* Darrel Thompson,2013-06-06 A how to book written from the perspective of an older brother giving helpful and real talk advice to a younger brother about to enter college concerning everything college life including How to Handle a Roommate How to Network How to Meet Girls How to Study How to be Organized How to get an A in Every Class How to Stay Happy How to Stay Focused and How to be Successful in all Aspects of College Life This book is first hand advice from Jake Carpenter Thompson who graduated with a perfect 4.0 GPA and Summa Cum Laude from his undergraduate university and went on to attend a prestigious MD PhD program This is hardcore straightforward advice from someone who has been there and done all that you or your friend family member wants to accomplish in college Get honest straight forward VALUABLE advice from someone who has firsthand experience and knowhow A must have book for any student at any level This book is not written above you or below you but rather it is written right at you A tested and proven method to get an A in every class and to graduate ranked number one This book will make college life enjoyable amazing and easy for anyone who takes the time to read this short simple straightforward book Jake said Look this book could have been 300 pages but as a student myself I do not want to be spending weeks trying to read through a book about college when I should be out there actually being a part of college That

is why I thought it was very important to keep the book short sweet and jam packed with all the critical most important information students need so they can read the book in one afternoon then use the knowledge practically in college life That is one of the major features of this book that sets it apart from those other so called college guides more like time drains The second major factor that sets this book apart is that all the information comes from Jake Carpenter Thompson a student that graduated with a perfect 4.0 in undergraduate earning the coveted title Summa Cum Laude and is now enrolled in a prestigious MD PhD program getting his medical tuition paid for by the university If you want great advice that has been tried and proven this book is the source to get it from Think of it like this if you want to be a movie star who would you rather talk to a non famous person who thinks they can help you because they have heard about how to be a movie star or would you rather find out from a bonafide starlet That is what this book is all about information directly from Jake who has gotten a 4.0 in undergrad and gotten into a prestigious MD PhD program
