From USA Today bestselling author Rebecca Hefner, Book 6.5 in the Etherya's Earth series. General Garridan thrived for centuries without a bonded mate. Born an aristocrat, he relinquished his family's wealth and privilege to fight in the Vampyre immortal army. Although his father wants him to bond with an aristocrat, Garridan only has eyes for one woman. Siora is a natural warrior. When the army finally allows women to join, she vows to become the first female battalion leader. Dreams of an amber-eyed Vampyre general have no place in her world, even if he is the only man who's ever made her long for a bonded mate. Consumed by her skill and effort along with her inherent natural beauty, Garridan offers to help Siora secure a leadership position as they near the final battle with Bakari. Although she swears they have no future, he yearns to claim the stubborn woman as his mate. Can two warriors from different paths find love, or will fear douse their spark before it's barely begun to burn?

The Etherya's Earth fantasy romance series is best read in order, although each book does have its own featured hero, heroine, and HEA. Content information can be found on the author's website. The Etherya's Earth Series is also available as audiobooks.

A Forbidden Alchemy: The Exhilarating Brand New Romantasy from Beloved Booktok Star Stacey McEwan STACEY. MCEWAN, 2025-07-03

The Best Man Jaymie Wright, 2020-09-28 Back Cover Alex Benson has been in love with her brother s best friend Chase Mathews for as long as she can remember They have always had a connection but kept each other at arm s length but after Chase s grand opening of his nightclub H2O they finally have a moment of passion that is long overdue But her brother Nick unknowingly interrupts them and all is ignored until three years later when Nick marries his college girlfriend Lisa Once they arrive at the beautiful vineyard for the wedding they discover that there has been a mix up with the room reservations and

Chase and Alex are forced to share a suite where their attraction for one another becomes too hard to resist. They allow themselves to give into temptation not realizing that all the obstacles they've put between them over the years isn't the only thing that could keep them from their happily ever after. Chase's troubled past is still finding its way into his present and keeping his love for Alex hidden under a layer of hurt that his father placed there as a child. Will Alex and Chase be able to overcome his haunted past or will it break them and not only ruin any chance of a real relationship between them but their friendship as well.

[The Best Bad Things](#) Jay Crownover, 2022-06-14 Vesper Bell is a good girl. At least that's what everyone keeps telling her. She was the perfect daughter. A straight A student. The very best friend. And an adoring potential girlfriend. However, when her life took an unexpected detour into darkness, suffering and betrayal, Vesper realized being good hadn't gotten her anywhere. An enthralled audience watched her dramatic fall from grace and clearly wanted her to crash and burn. Those she once trusted the most made it no secret that they wanted her to lose everything and she did. But all those years of being such a goodie two shoes built Vesper some powerful cosmic karma. On her birthday, she begged for a second chance, an opportunity to right all the wrongs and undo all the bad things she was forced to endure. She made a wish not knowing that sometimes they really do come true. Now, right before her fall, she's back at the beginning and she has no plans to be a good girl anymore. Lucky for her, she has the perfect person to teach her how to embrace her rebellious and daring side: a boy with candy-colored hair and eyes as dark as the night sky. They were born on the same day, but that is about all the two of them have in common. Everything about him screams that he is a very bad boy, but Vesper sees the good in him. He doesn't seem to care if she's perfect or pitiful. He keeps stepping in to save her and he always makes her feel safe, even when everything else feels uncertain. He feels real and honest when the rest of her life seems to be built on lies on top of more lies. One thing Vesper knows to be absolutely true: the surprisingly sweet delinquent is the very best bad thing to ever happen to her.

Author's note: Hi! This book is slightly different from my usual suspects, meaning it is a touch weird and wild. I know that and I feel it is fair that everyone else knows that going in as well. So if you're up for a bit of strange along with the sexy, this book is the one for you.

[The Phoenix Keeper](#) S. A. MacLean, 2024-08-13 As head phoenix keeper at a world-renowned zoo for magical creatures, Aila's childhood dream of conserving critically endangered firebirds seems closer than ever. There's just one glaring caveat: her zoo's breeding program hasn't functioned for a decade. When a tragic phoenix heist sabotages the flagship initiative at a neighbouring zoo, Aila must prove her derelict facilities are fit to take the reins. But saving an entire species from extinction requires more than stellar animal handling skills. Carnivorous water horses, tempestuous thunderhawks, mischievous dragons: Aila has no problem wrangling beasts, inspiring zoo patrons. That's another story. Mustering the courage to ask for help from the hotshot griffin keeper at the zoo's most popular exhibit is virtually impossible. Especially when that hotshot griffin keeper happens to be her arch-rival from college, Luciana, an annoyingly brooding and insufferable know-it-all with the grace of a basilisk and the face of a goddess, who's convinced that Aila's beloved phoenix would serve their cause.

better as an active performer rather than as a passive conservation exhibit With the world watching and the threat of poachers looming Aila s success is no longer merely a matter of keeping her job She is the keeper of the phoenix and the future of a species now rests on her shoulders There s just one thing she has to remember she is also not alone Against an epic fantasy backdrop teeming with all your favourite mythical beasts from dragons and unicorns to kelpies and krakens The Phoenix Keeper combines the cozy fantasy stakes of TJ Klune and Travis Baldree with the heartwarming contemporary romance of Alice Oseman and Casey McQuiston
