The Demosthenes Club Joseph A. McCaffrey, 2018-06-21 Cynthia Power is found dead in her garage The cops declare it a clear case of suicide over the

objection of her psychiatrist who asks P I Bertrand McAbee to investigate As he does he becomes aware of a high school group called the Demosthenes Club that was formed in 1967 Cynthia was a member along with seven other students They were extremely gifted and went on to great success with the exception of one who drowned just before graduation in 1968 McAbee discovers the eight students had strained relations with each other Cynthia became aware of information that unsettled her as she was putting together a book about the club so much so that it becomes apparent to McAbee that her work and speculations would make her dangerous In the course of his investigation he is inexorably drawn to Cynthia's time in Sarajevo and the murder of her lover Toma Eventually he sees the need to visit Sarajevo and Belgrade to finally get a hold on this extraordinary case Through the process of his work he will utilize his associates who have figured heavily through all of his cases Augusta Satin his best friend and purported lover Pat Trump his can do secretary Jack Scholz his dangerous right hand man and the troubled Barry Fisk his computer wizard As the investigation proceeds McAbee will deal with the five remaining members of the club Now in their late sixties all of them are tough battle hardened and compulsively protective of the reputations and legacies And yet at least one of them is probably a murderer with ruthless instincts

Sleep Hacking for Busy Bees: Optimizing Sleep in Short Bursts Ethan West, In our frenetic modern world the quest for efficiency often comes at a steep price We juggle demanding careers personal responsibilities and social obligations all while trying to maintain a semblance of balance Amidst this relentless hustle one crucial aspect of our well being frequently gets shortchanged sleep Have you ever caught yourself wondering How can I get the most out of my sleep in the little time I have If so you re not alone This book delves into the art and science of sleep hacking a practice designed to optimize sleep for those who lead busy lives But before we delve into the nitty gritty let s explore why sleep is non negotiable Sleep is often perceived as a luxury something we can afford to cut back on to squeeze in an extra hour of work or play Yet research consistently underscores that sleep is foundational to our health and well being According to the National Sleep Foundation adults need between 7 to 9 hours of sleep per night for optimal functioning However a staggering one in three adults doesn t meet this requirement leading to a host of physical and mental health issues So why is sleep so important

1984 and Philosophy Ezio Di Nucci,Stefan Storrie,2018-05-18 Although the year 1984 is hurtling back into the distant past Orwell s novel Nineteen Eighty Four continues to have a huge readership and to help shape the world of 2084 Sales of Orwell s terrifying tale have recently spiked because of current worries about alternate facts post truth and fake news 1984 and Philosophy brings together brand new up to the minute thinking by philosophers about Nineteen Eighty Four as it relates to today s culture politics and everyday life Some of the thinking amounts to thoughtcrime but we managed to sneak it past the agents of the Ministry of Truth so this is a book to be read quickly before the words on the page mysteriously transform into something different Who s controlling our lives and are they getting even more levers to control us Is truth objective or just made up What did Orwell get right and did he get some things wrong Are social media opportunities for liberation or instruments of oppression How can we fight back against totalitarian control Can Big Brother compel us to love him How does the language we use affect the way we think Do we really need the unifying power of hate Why did Orwell make Nineteen Eighty Four so desperately hopeless Can science be protected from poisonous ideology Can we really believe two contradictory things at once Who surveils the surveilors
