Web Information Systems Engineering - WISE 2024 Mahmoud Barhamgi, Hua Wang, Xin Wang, 2024-11-30 This five volume set LNCS 15436 15440 constitutes the proceedings of the 25th International Conference on Web Information Systems Engineering WISE 2024 held in Doha Qatar in December 2024 The 110 full papers and 55 short papers were presented in these proceedings were carefully reviewed and selected from 368 submissions The papers have been organized in the following topical sections as follows Part I Information Retrieval and Text Processing Text and Sentiment Analysis Data Analysis and Optimisation Query Processing and Information Extraction Knowledge and Data Management Part II Social Media and News Analysis Graph Machine Learning on Web and Social Trustworthy Machine Learning and Graph Data Management Part III Recommendation Systems Web Systems and Architectures and Humans and Web Security Part IV Learning and Optimization Large Language Models and their Applications and AI Applications Part V Security Privacy and Trust Online Safety and Wellbeing through AI and Web Technologies a **Steering Sustainability in an Urbanising World** Anitra Nelson, 2016-04-01 Sustainability has become the key challenge for urban planners housing and infrastructure policy makers Citizens are increasingly encouraged to live more compactly in denser urban developments to use less water and other natural resources and to choose public transport While councils government agencies and private business invest in a broad range of promotions offering discounts on sustainable products and services uptake has been slow and the impacts marginal at a time when environmental stresses suggest that we must act fast This book examines this pressing problem in a holistic way discussing broad scale sustainability policies and programmes for achieving sustainable urban futures It brings together academics and practitioners to analyze the complexity and interdependence of principles models processes and practices of sustainability in a range of integrated sectors as well as the establishment and maintenance of sustainable physical infrastructure in cities *Applied Computing in Medicine and Health* Dhiya Al-Jumeily, Abir Hussain, Conor Mallucci, Carol Oliver, 2015-08-21 Applied Computing in Medicine and Health is a comprehensive presentation of on going investigations into current applied computing challenges and advances with a focus on a particular class of applications primarily artificial intelligence methods and techniques in medicine and health Applied computing is the use of practical computer science knowledge to enable use of the latest technology and techniques in a variety of different fields ranging from business to scientific research One of the most important and relevant areas in applied computing is the use of artificial intelligence AI in health and medicine Artificial intelligence in health and medicine AIHM is assuming the challenge of creating and distributing tools that can support medical doctors and specialists in new endeavors The material included covers a wide variety of interdisciplinary perspectives concerning the theory and practice of applied computing in medicine human biology and health care Particular attention is given to AI based clinical decision making medical knowledge engineering knowledge based systems in medical education and research intelligent medical information systems intelligent

databases intelligent devices and instruments medical AI tools reasoning and metareasoning in medicine and methodological philosophical ethical and intelligent medical data analysis Discusses applications of artificial intelligence in medical data analysis and classifications Provides an overview of mobile health and telemedicine with specific examples and case studies Explains how behavioral intervention technologies use smart phones to support a patient centered approach Covers the design and implementation of medical decision support systems in clinical practice using an applied case study approach

Privacy Symposium 2024 Jaap-Henk Hoepman,Meiko Jensen,Maria Grazia Porcedda,Stefan Schiffner,Sébastien Ziegler,2025-02-08 This book presents the proceedings of the Privacy Symposium 2024 The book features a collection of high quality research works and professional perspectives on personal data protection and emerging technologies Gathering legal and technology expertise it provides cutting edge perspective on international data protection regulations convergence as well as data protection compliance of emerging technologies such as artificial intelligence e health blockchain edge computing Internet of Things V2X and smart grid Papers encompass various topics including international law and comparative law in data protection and compliance cross border data transfer emerging technologies and data protection compliance data protection by design technology for compliance and data protection data protection good practices across industries and verticals cybersecurity and data protection assessment and certification of data protection compliance and data subject rights implementation *Information Technology and Systems* Álvaro Rocha,Carlos Ferrás,Paulo Carlos López-López,Teresa Guarda,2021-01-30 This book is composed by the papers written in English and accepted for presentation and discussion at The 2021 International Conference on Information Technology organizational models and information systems software and systems modelling software systems architectures applications and tools multimedia systems and applications computer networks mobility and pervasive systems intelligent and decision support systems big data analytics and applications human computer interaction ethics computers health informatics and information technologies in education *Distributed, Ambient and Pervasive Interactions* Norbert Streitz,Shin'ichi Konomi,2019-07-10

This book constitutes the refereed proceedings of the 7th International Conference on Distributed Ambient and Pervasive Interactions DAPI 2019 held as part of the 21st International Conference on Human Computer Interaction HCII 2019 in Orlando Florida USA in July 2019 A total of 1274 papers and 209 posters have been accepted for publication in the HCII 2019 proceedings from a total of 5029 submissions The 36 papers included in this volume were organized in topical sections on IoT and big data smart cities and built environments perception and emotion in DAPI and DAPI for health and learning

IMPACT OF SCIENCE AND TECHNOLOGY IN ADVANCED RESEARCH IN NURSING AND MEDICAL SCIENCES DR. RAJEEV SINGH,DR. M S. BHADORIYA,MR. D D SHRIVASTAVA,2019-08-07 The integration of telehealth nursing services with cloud technology represents a significant advancement in healthcare delivery offering improved access to care enhanced patient outcomes and increased efficiency in nursing practice This paper explores the various aspects of this

integration including the technological infrastructure benefits challenges and future prospects Through a comprehensive review of current literature and case studies the paper highlights the transformative potential of cloud enabled telehealth in nursing emphasizing its role in addressing healthcare disparities enhancing patient engagement and optimizing clinical workflows Telehealth nursing services have gained momentum as a vital component of modern healthcare especially in the wake of the COVID 19 pandemic These services which leverage digital communication technologies to deliver care remotely are increasingly integrated with cloud technology to enhance their effectiveness Cloud computing offers scalable secure and cost effective solutions that can support the expansive data needs of telehealth services 1 This paper aims to study the integration of telehealth nursing services with cloud technology focusing on how this integration enhances patient care Telehealth nursing involves the use of electronic communication tools to provide nursing care to patients who are geographically separated from healthcare providers 2 3 These services include virtual consultations remote monitoring health education and chronic disease management

Interdisciplinary Assessment of Personal Health Monitoring S. Schmidt,O. Rienhoff,2013-07-17 Europe is facing a paradox while governments try to curb public spending the demands on our healthcare systems continue to rise The use of smart technologies and innovation can help to address the challenges faced by healthcare systems today such as an ageing population a shortage of healthcare professionals and restrictions on financial resources But despite increasing evidence of the benefits technology can bring the healthcare sector has been slow to embrace the digital revolution and has stuck to more traditional methods and models This book presents selected contributions to the symposium on Personal Health Monitoring PHM and Ethics and future areas of PHM which took place in advance of the 11th World Congress of Bioethics held in Rotterdam the Netherlands in June 2012 Most of the papers present the outcomes of the European PHM Ethics project which conducted interdisciplinary analyses of emerging PHM applications Additional invited contributions deal with important issues related to the project s primary objectives and outcomes The project is strongly associated with the new e Health Action Plan launched by the European Commission in December 2012 which is designed to bring the benefits of digital solutions into healthcare systems The book covers a broad spectrum ranging from the technical setup of PHM systems to ethical issues raised by PHM applications and will be of interest to all those concerned with improving the provision of healthcare worldwide

Handbook of Electronic Assistive Technology Ladan Najafi,Donna Cowan,2018-11-15 Electronic Assistive Technology EAT is a subset of a wider range of products and services known as Assistive Technology AT AT is designed to support and enable people with disabilities either acquired or congenital to participate in activities with greater independence and safety With a global aging population it has an important role to play in enabling and supporting those with disability and their carers Handbook of Electronic Assistive Technology discusses a range of commonly available or emerging electronic assistive technologies It provides historical background advice when assessing for these devices and references different models of provision It includes both medical and engineering aspects of

provision It is anticipated that the book will support students trainees and newly qualified Assistive Technology Practitioners to develop their understanding of the field by considering the variables that could potentially influence the decision making process when assessing for and providing this equipment It also provides a reference point for those already practicing in this field and offers coverage of a broader range of technologies than clinicians may be exposed to in their daily work This is the first reference book to focus on a comprehensive set of electronic assistive technologies and discuss their clinical application Provides comprehensive coverage of electronic assistive devices Gives an overview of physical and cognitive pathologies and approaches for utilizing electronic assistive devices for individuals affected by these pathologies Covers essentials for assistive technology practitioners human factors and technologies

Malware Dimitris Gritzalis, Kim-Kwang Raymond Choo, Constantinos Patsakis, 2024-11-14 This book provides a holistic overview of current state of the art and practice in malware research as well as the challenges of malware research from multiple angles It also provides step by step guides in various practical problems such as unpacking real world malware and dissecting it to collect and perform a forensic analysis Similarly it includes a guide on how to apply state of the art Machine Learning methods to classify malware Acknowledging that the latter is a serious trend in malware one part of the book is devoted to providing the reader with the state of the art in Machine Learning methods in malware classification highlighting the different approaches that are used for e g mobile malware samples and introducing the reader to the challenges that are faced when shifting from a lab to production environment Modern malware is fueling a worldwide underground economy The research for this book is backed by theoretical models that simulate how malware propagates and how the spread could be mitigated The necessary mathematical foundations and probabilistic theoretical models are introduced and practical results are demonstrated to showcase the efficacy of such models in detecting and countering malware It presents an outline of the methods that malware authors use to evade detection This book also provides a thorough overview of the ecosystem its dynamics and the geopolitical implications are introduced The latter are complemented by a legal perspective from the African legislative efforts to allow the reader to understand the human and social impact of malware This book is designed mainly for researchers and advanced level computer science students trying to understand the current landscape in malware as well as applying artificial intelligence and machine learning in malware detection and classification Professionals who are searching for a perspective to streamline the challenges that arise when bringing lab solutions into a production environment and how to timely identify ransomware signals at scale will also want to purchase this book Beyond data protection experts who would like to understand how malware siphons private information experts from law enforcement authorities and the judiciary system who want to keep up with the recent developments will find this book valuable as well

The Personal Cybersecurity Manual Marlon Buchanan, 2022-10-24 Cybercriminals can ruin your life this book teaches you to stop them before they can Cybercrime is on the rise Our information is more valuable and vulnerable than ever It s important to learn

to protect ourselves from those who wish to exploit the technology we rely on daily Cybercriminals want to steal your money and identity and spy on you You don't have to give up on the convenience of having an online life You can fight back and protect yourself and your loved ones all with the tools and information in this book This book will teach you to protect yourself from Identity theft Ransomware Spyware Phishing Viruses Credit card fraud And so much more Don't be a victim of cybercrime Anyone can follow the information in this book and keep hackers and other cybercriminals at bay You owe it to yourself to read this book and stay safe

Human Aspects of IT for the Aged Population Qin Gao,Jia Zhou,2025-05-28 The three volume set LNCS 15809 15811 constitutes the thoroughly refereed proceedings of the 11th International Conference on Human Aspects of IT for the Aged Population ITAP 2025 held as part of the 27th HCI International Conference on Human Computer Interaction HCII 2025 which took place in Gothenburg Sweden in June 2025 The total of 1430 papers and 355 posters included in the HCII 2025 proceedings was carefully reviewed and selected from 7972 submissions The three volumes cover topics as follows Part I Designing Older User Experiences Social Connectedness and Psychological Support Part II Smart Homes and Communities for Aging in Place eHealth for Aging Part III Older Adults and the Smart City Technology Adoption IT Literacy and the Digital Divide Living with AI

Smart Trends in Computing and Communications Yu-Dong Zhang,Tomonobu Senjyu,Chakchai So-In,Amit Joshi,2021-10-25 This book gathers high quality papers presented at the Fifth International Conference on Smart Trends in Computing and Communications SmartCom 2021 organized by Global Knowledge Research Foundation GR Foundation from March 2 3 2021 It covers the state of the art and emerging topics in information computer communications and effective strategies for their use in engineering and managerial applications It also explores and discusses the latest technological advances in and future directions for information and knowledge computing and its applications

Computer and Information Security Handbook (2-Volume Set) John R. Vacca,2024-08-28 Computer and Information Security Handbook Fourth Edition offers deep coverage of an extremely wide range of issues in computer and cybersecurity theory along with applications and best practices offering the latest insights into established and emerging technologies and advancements With new parts devoted to such current topics as Cyber Security for the Smart City and Smart Homes Cyber Security of Connected and Automated Vehicles and Future Cyber Security Trends and Directions the book now has 104 chapters in 2 Volumes written by leading experts in their fields as well as 8 updated appendices and an expanded glossary Chapters new to this edition include such timely topics as Threat Landscape and Good Practices for Internet Infrastructure Cyber Attacks Against the Grid Infrastructure Threat Landscape and Good Practices for the Smart Grid Infrastructure Energy Infrastructure Cyber Security Smart Cities Cyber Security Concerns Community Preparedness Action Groups for Smart City Cyber Security Smart City Disaster Preparedness and Resilience Cyber Security in Smart Homes Threat Landscape and Good Practices for Smart Homes and Converged Media Future Trends for Cyber Security for Smart Cities and Smart Homes Cyber Attacks and Defenses on Intelligent Connected

Vehicles Cyber Security Issues in VANETs Use of AI in Cyber Security New Cyber Security Vulnerabilities and Trends Facing Aerospace and Defense Systems and much more Written by leaders in the field Comprehensive and up to date coverage of the latest security technologies issues and best practices Presents methods for analysis along with problem solving techniques for implementing practical solutions

Ambient Assisted Living Alessandro Leone, Andrea Caroppo, Gabriele Rescio, Giovanni Diraco, Pietro Siciliano, 2019-02-02 This book documents the state of the art in the field of ambient assisted living AAL highlighting the impressive potential of novel methodologies and technologies to enhance well being and promote active ageing The coverage is wide ranging with sections on care models and algorithms enabling technologies and assistive solutions elderly people monitoring home rehabilitation ICT solutions for AAL living with chronic conditions robotic assistance for the elderly sensing technologies for AAL and smart housing The book comprises a selection of the best papers presented at the 9th Italian Forum on Ambient Assisted Living ForitAAL 2018 which was held in Lecce Italy in July 2018 and brought together end users technology teams and policy makers to develop a consensus on how to improve provision for elderly and impaired people Readers will find that the expert contributions offer clear insights into the ways in which the most recent exciting advances may be expected to assist in addressing the needs of the elderly and those with chronic conditions

Security, Trust and Privacy Models, and Architectures in IoT Environments Lidia Fotia, Fabrizio Messina, Domenico Rosaci, Giuseppe M.L. Sarné, 2023-04-20 This book is dedicated to the issues of security trust and privacy models and architectures in IoT environments The authors aim to capture the latest research and contributions from academy industry and other stakeholders on new security models architectures protocols and standards for ensuring security privacy and trustworthiness to IoT systems The authors discuss the convergence of IoT software agents and edge computing to introduce social features into IoT systems combining trustworthiness and reputation information collected by agents at the edge with security and privacy mechanisms They also cover experimental and simulated campaigns that evaluate strategies to improve the security and privacy of the IoT world and at the same time the ability to prevent and deter deceptive behaviors The book is relevant for researchers professionals academics and students

Blockchain Technology for Cyber Defense, Cybersecurity, and Countermeasures Naresh Kshetri, Purnendu Shekhar Pandey, Mohiuddin Ahmed, 2025-01-30 The rapid increase in IT infrastructure and presence in cyber space has given rise to enormous chances of security breach Cybersecurity is one of the burning issues in today's modern world and the lack of cybersecurity policy and cyber strategy might make the situation vulnerable Today blockchain technology has almost covered every sector from business to data security This book is written for all enthusiastic and cyber professionals in this new era of blockchain technology Blockchain has already proved its versatile nature as adopted by several governments and tech giants from all over the world Any anonymous user can trust another anonymous user in the cyber world with the authentication and validation via blockchain technology Blockchain governance provides a more distributed diffusion of authority in which authentication sources are the

individual themselves This book offers approaches for cybersecurity and cyber defense via blockchain technology to counter cyber attacks and ransomwares that are increasing every second The book can be used in many ways by several cybersecurity professionals to secure online data people and networks as a part of cybersecurity information security and cyber defense initiative with several countermeasures and defense strategies in the web Each chapter of the book provide excellent tools and techniques for the burning and challenging issues in today s modern cyber and zero trust world

Marketing and AI: Shaping the Future Together Vincent Jeseo,Jasmine Parajuli,2024-12-23 The growing availability of data intelligent computational systems and affordable storage and software has spurred a keen interest among marketers to explore new artificial intelligence AI methods and applications to enhance outcomes However this technological race can lead marketers to hastily implement AI platforms without a clear objective causing organizations to lose focus become disconnected from customers waste resources and blindly follow a never ending trend This book explores the influence of AI on the marketing field Featuring full papers presented at the 2024 Academy of Marketing Science Annual Conference in Coral Gables FL USA this book offers research theories methodologies and case studies on the use of AI by marketers in various areas to better serve customers and satisfy their needs It also explore the role that academics play in supporting marketing scholars students researchers consumers practitioners and stakeholders in understanding and navigating these technological changes Founded in 1971 the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory research and practice Among its services to members and the community at large the Academy offers conferences congresses and symposia that attract delegates from around the world Presentations from these events are published in this Proceedings series which offers a comprehensive archive of volumes reflecting the evolution of the field Volumes deliver cutting edge research and insights complementing the Academy s flagship journals the Journal of the Academy of Marketing Science JAMS and AMS Review

Cybersecurity and Human Capabilities Through Symbiotic Artificial Intelligence Hamid Jahankhani,Biju Issac,2025-06-14 This book presents the 16th ICGS3 24 conference which aims to understand the full impact of cyber security AI deepfake and quantum computing on humanity Over the last two decades technology relating to cyber space satellites drones UAVs cyber security artificial intelligence and generative AI has evolved rapidly Today criminals have identified rewards from online frauds therefore the risks and threats of cyber attacks have increased too Detection of the threat is another strand to the strategy and will require dynamic risk management techniques strong and up to date information governance standards and frameworks with AI responsive approaches in order to successfully monitor and coordinate efforts between the parties Thus the ability to minimize the threats from cyber is an important requirement This will be a mission critical aspect of the strategy with development of the right cyber security skills knowledge and culture that are imperative for the implementation of the cyber strategies As a result the requirement for how AI Demand will influence

business change and thus influence organizations and governments is becoming important In an era of unprecedented volatile political and economic environment across the world computer based systems face ever more increasing challenges disputes and responsibilities while the Internet has created a global platform for the exchange of ideas goods and services however it has also created boundless opportunities for cyber crime The ethical and legal implications of connecting the physical and digital worlds and presenting the reality of a truly interconnected society present the realization of the concept of smart societies Drawing on 15 years of successful events the 16th ICGS3 24 conference aims to provide attendees with an information packed agenda with representatives from across the industry and the globe This Annual International Conference is an established platform in which security safety and sustainability issues can be examined from several global perspectives through dialogue between academics students government representatives chief executives security professionals and research scientists from the UK and from around the globe

Trends in Mechatronics Systems Ajay Kumar, Parveen Kumar, Aydin Azizi, 2024-12-07 This book consists of twelve chapters covering the design aspects their feasibility mathematical modeling by numerical experimental computational and simulation approaches It discusses how different internet technologies integrate mechatronics systems with people products and complex systems The methodology and tools included in this book focus on contemporary aspects of integrating Industry 4 0 and mechatronics systems for new means and models to achieve a sustainable green environment Readers will get an insight into the current development of mechatronics systems in the context of scientific disciplines and present new results of research and development indicating the trends of development in this interdisciplinary field

Immerse yourself in heartwarming tales of love and emotion with Explore Love with its touching creation, Tender Moments: **Smart Home Review Returns** . This emotionally charged ebook, available for download in a PDF format (Download in PDF: *), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.

Smart Home Review Returns Introduction

In the digital age, access to information has become easier than ever before. The ability to download Smart Home Review Returns has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Smart Home Review Returns has opened up a world of possibilities. Downloading Smart Home Review Returns provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Smart Home Review Returns has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Smart Home Review Returns. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Smart Home Review Returns. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Smart Home Review Returns, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Smart Home Review Returns has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Smart Home Review Returns Books

1. Where can I buy Smart Home Review Returns books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Smart Home Review Returns book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Smart Home Review Returns books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Smart Home Review Returns audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Smart Home Review Returns books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
