Chicken Soup for the Soul: Laughter's Always the Best Medicine Amy Newmark,2025-02-18 If laughter is the best medicine this book is your prescription Turn off the news shut down the social media and spend a few days ignoring current events Instead return to the basics humanity s ability to laugh at itself We ve gathered one hundred great writers to share their mishaps and misadventures of everyday life There s no holding back so prepare for lots of good clean and not so clean fun in these true personal anecdotes Read about domestic disasters words that came out wrong mistaken identity wedding snafus technology trauma the honesty of kids family foibles wardrobe malfunctions pranks and capers animal antics and so much more No one is safe in these pages from family members to friends and colleagues experiencing those most embarrassing ridiculous and surprising moments that afflict us all from time to time

Needy Media Stephen Monteiro,2025-09-16 What makes our portable networked personal media devices smartphones tablets smartwatches so irresistible Reacting to our touch voice or gaze seizing and keeping our attention with sounds vibrations and screen prompts these objects construct an animated intimacy that builds trust and emotional dependence Needy Media explores how features such as face recognition awareness sensors and touchscreens have developed and intersected tying them to key concepts of psychology language and the body Surveying products and practices across a half century Stephen Monteiro argues that the appeal is as much about how media devices behave as it is about the information they convey Monteiro traces a symbiotic overreliance a neediness between users and devices fostered by personalized aspects of digital materiality The physical and emotional bonds that emerge he argues not only cast our devices as loyal companions adaptable to our needs and idiosyncrasies they also facilitate the corporate harvesting of massive amounts of personal data in the name of making technology more friendly intuitive and individualized Raising important questions about privacy and power Needy Media seeks answers in the complex and sensitive relationship between interface and body a coupling that makes the networked object both an essential psychological presence and a lingering concern for our sense of self
