The Last Days of Shea Dana Brand, 2009-09-16 Written in a personal moving and humorous style The Last Days of Shea chronicles the New York Mets from October 2006 when the team lost the National League Championship Series to October 2008 when the team began to dismantle its antiquated inadequate and dearly loved Shea Stadium The book is about following a baseball team with one s heart mind and soul It represents the experience of being in a crowd at a ballpark following a pennant race enduring an off season experiencing streaks slumps triumph and heartbreak All of this is represented against the imminent destruction of a stadium that is not likely to be represented as well in the perfect and profitable little park that will replace it
