Prime Big Deal Days Usa:

History Has Made Us Friends Donald E. Abelson, Stephen Brooks, 2024-06-15 Separated by the world's longest land border and engaging in over three billion dollars in trade daily Canada and the United States share security concerns cultural interests and a history spanning more than 250 years Alan Rock former Canadian ambassador to the United States has said that this special relationship represents a bond that is beyond practical It borders on mystical The rise of nativist sentiment however has raised concerns over preserving this relationship History Has Made Us Friends illuminates the nature and dynamics of Canada US relations examining their history attributed meaning and conceptualization Contributors consider many angles and perspectives including the impact of geopolitical change to determine whether the relationship warrants the moniker special They explore whether shared values and demographic similarities continue to cement the relationship and if it still matters whether presidents and prime ministers get along While things look different today from when President Kennedy declared What unites us is far greater than what divides us History Has Made Us Friends argues that the Canada US relationship often narrowly understood or dismissed as a relic of the past continues to be unique and resilient *Public Papers of the Presidents of the United States, William J.
