Essentials of Economics Bradley R. Schiller,2005 Essentials of Economics is the market leader for the one semester survey course In just about 400 pages it provides a solid introduction to the core concepts of economics with an emphasis on real world examples and current events Essentials has earned its popular success because unlike other books on the market it is free of the abstract and complex theory that require more time than this course allows Instead the text is clean and concise with many examples of significance to students today including Headlines and Policy Perspectives that use current events to help illustrate the topics discussed This real world policy emphasis is a distinctive feature of Schiller s text and is integral to its dominance of the survey text market Kiplinger's Personal Finance ,2003-07 **Business Week** ,1997
