Coupon Codes John Hawkins,2019-02-13 Gain financial peace by learning to maximize your savings using coupons Stop spending more than you have to and start using your money for things you want I share a breakdown of how couponing works real world applications and some of my personal tips and tricks that have saved me thousands of dollars with minimal time commitment If you are ready to start saving then it s time to start *Customer Service* Peter Shankman,2010-12-16 Use Social and Viral Technologies to Supercharge your Customer Service Using social media you can deliver amazing customer service and generate an army of fans who ll promote you in good times and rescue you from disaster Now legendary online marketing expert Peter Shankman shows you exactly how to do all that without spending a fortune Shankman draws on his immense experience as founder of the online growth company HARO and marketing consultant to multiple Fortune 500 clients He presents straight to the point solutions for building customer loyalty trust and credibility online and rebuilding it when catastrophe strikes Companies around the world are driving enormous value from online customer service at remarkably low cost You can too Peter Shankman will show you how step by step right now You ll learn how to Organize a small powerful social media team on a tight budget Listen to what your customers advisors and markets are really saying Make prospects feel like rock stars from the moment they find you Choose online media that make the most sense for you Avoid wasting time with platforms that won t help you Earn your customer s loyalty trust and credibility Learn from other companies viral disasters Rebuild your credibility after you ve taken a public hit online Make sure everyone hears your customers when they compliment you Capture all your customer knowledge and use it in real time Keep people talking and not just about you **Salesforce B2C Solution Architect's Handbook** Mike King,2021-11-19 The ultimate handbook for new and seasoned Salesforce B2C Solution Architects who want to design seamless B2C solutions across the Salesforce Customer 360 ecosystem including B2C Commerce Service Cloud and Marketing Cloud Key Features Give your customers a frictionless experience by creating a unified view of all their interactions Get your architectural design right the first time and avoid costly reworks Prepare for the B2C Solution Architect exam and Salesforce certification with practical scenarios following Salesforce best practices Book DescriptionThere s a huge demand on the market for Salesforce professionals who can create a single view of the customer across the Salesforce Customer 360 platform and leverage data into actionable insights With Salesforce B2C Solution Architect s Handbook you ll gain a deeper understanding of the integration options and products that help you deliver value for organizations While this book will help you prepare for the B2C Solution Architect exam its true value lies in setting you up for success afterwards The first few chapters will help you develop a solid understanding of the capabilities of each component in the Customer 360 ecosystem their data models and governance As you progress you ll explore the role of a B2C solution architect in planning critical requirements and implementation sequences to avoid costly reworks and unnecessary delays You ll learn about the available options for integrating products

with the Salesforce ecosystem and demonstrate best practices for data modeling across Salesforce products and beyond. Once you've mastered the core knowledge you'll also learn about tools, techniques, and certification scenarios in preparation for the B2C Solution Architect exam. By the end of this book you'll have the skills to design scalable, secure, and future-proof solutions supporting critical business demands. What you will learn: Explore key Customer 360 products and their integration options. Choose the optimum integration architecture to unify data and experiences. Architect a single view of the customer to support service, marketing, and commerce. Plan for critical requirements, design decisions, and implementation sequences to avoid sub-optimal solutions. Integrate Customer 360 solutions into a single source of truth solution such as a master data model. Support business needs that require functionality from more than one component by orchestrating data and user flows.

Who this book is for: This book is for professionals in high-level job roles that heavily rely on Salesforce proficiency. It's primarily written for B2C commerce architects, application architects, integration architects, as well as system architects, enterprise architects, Salesforce architects, and CTO teams looking to benefit from a deeper understanding of this platform.

Before you get started you'll need a solid understanding of data integration, APIs, and connected systems, along with knowledge of the fundamentals of business-to-consumer (B2C) customer experiences.
