Moving home, particularly when it involves buying or selling a house, has been noted to be one of the three most stressful life events, and doing so during a pandemic would make it even more challenging. 2020 brought with it challenges and changes most of us never expected, taking some of us to almost breaking point. This book will take you through one family's journey to discover how they survived such a tough year and reflect on whether there could really be blessings to count for 2020. Based on true events with stories about parenting, faith, marriage, patients, estate agents, and immigrant perspectives, this book will bring you smiles, tears, inspiration, and hope for the days ahead.
