Battle of the Blood Moons Diane Shauer,2014-06-26 We are conditioned to believe what is visible is more important than the invisible we couldn t be more deceived the visible world is less than one percent of our reality In everyday life there are creatures we cannot see demons hiding all around us in an invisible realm Humanity lies at the center of an interdimensional conflict as old as time On one side stand the demons of the great void corrupting harvesting and feeding on human souls Arrayed against the darkness are the illumine races beings of light residing in the eleventh dimension Everyone on earth has a stake in this war Knowingly or not no one stays neutral Humanity s every act shifts the balance in this unending struggle pushing further into the light or pulling back into the darkness In the midst of a messy divorce Deidre Kollister discovers her sacred role in this hidden vicious conflict A sonic warrior of light Deidre is one of twelve souls who agreed on a perilous mission before birth to prevent the upcoming soul harvest a terrible event set to begin with an ancient celestial sign Twelve extraordinary people stand against a legion of interdimensional demons The odds are stacked against Deidre and her new allies If they succeed the world may finally find peace If they fail the ancient war will end with a demonic feeding frenzy and humanity s eternal enslavement

Reasserting the Disney Brand in the Streaming Era Robert Alan Brookey,Jason Phillips,Timothy Pollard,2023-04-07 Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how

Disney's acquisition of Pixar, Marvel, Lucasfilm, and Fox positioned the company to launch the Disney streaming service. The chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney. Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand, the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style. The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog. This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies, political economy, Disney studies, media industries, and new technology.
