Anna N. Taylor's 7 Tips on Getting the Best Customer Service Experience Anna N Taylor, 2013-03-01

Customer Service can be a pain in the butt if you know what I mean. It is provided from the State of Washington to the State of Florida from the Southern part of California to the upper part of the Northern parts of the United States of America. I deal with it, you deal with it, your neighbor deals with it, every one of us has provided a type or style of customer service sometime within our work history. No matter where we are, there ought to be Satisfied Customer Service that is stellar regardless of what company, organization, or agency we are dealing with at any given time. Learn something new. If applied right, this book can help single people, couples, men, women.

The Amazement Revolution Shep Hyken, 2011

What is the amazement revolution? It is the culture that can drive any organisation from one employee to tens of thousands to focus completely on delivering an amazing customer service experience. In this sequel to the Wall Street Journal best selling book *The Cult of the Customer*, Shep Hyken shares seven powerful strategies that any organisation can implement to create greater customer and employee loyalty. In a tough competitive and price sensitive economy, customer service is one of the most essential tools to separate your business from the competition. These strategies work as evidenced by the more than seventy case studies and examples that Hyken shares throughout the book. These examples provide dozens of lessons that can and should be implemented immediately. Corporate and industry clients from all over the world have tapped into the expertise of Shep Hyken. His client list is a who's who in the business world. As an author and speaker, Hyken is known for his simple and direct strategies that help his clients build successful customer focused organisations.

The Best Service is No Service Bill Price, David Jaffé, 2011-09-14

In this groundbreaking book, Bill Price and David Jaffe offer a new game changing approach showing how managers are taking the wrong path and are using the wrong metrics to measure customer service. Customer service, they assert, is only needed when

a company does something wrong eliminating the need for service is the best way to satisfy customers To be successful companies need to treat service as a data point of dysfunction and figure what they need to do to eliminate the demand The Best Service Is No Service outlines these seven principles to deliver the best service that ultimately leads to no service Eliminate dumb contacts Create engaging self service Be proactive Make it easy to contact your company Own the actions across the company Listen and act Deliver great service experiences Who's Your Gladys?
