around Grab your feet again as you prepare to roll up Breathe out and roll forward Inhale as your head touches the mat Roll back to repeat the move Double Leg Kick This move works the back extensors and the hamstrings primarily but it can be a total body exercise as well Start by lying face down with your head turned to one side and your feet together *Pilates Perfect* Dianne Daniels,2003 **Total Pilates** Ann Crowther,Helena Petre,2003 Based on Ann Crowther s proven development of the Joseph Pilates system this book presents simple practical measures to improve health and well being through a unique body mind approach combining exercise diet and relaxation **Pilates for You** Ann Crowther,2006
