

Practising Phonics

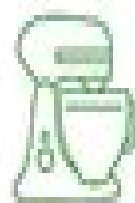

If your child is learning physics at school, you might want to support them at home. But first, convince *us* what to do.

[illegible]

If you are not sure what your children's learning has been about, you may prefer to ask your child to explain to you what he or she has learned. This is a good idea, as it will help you to understand what your child has learned and to provide support for his or her learning.

The process for developing *Wides* is that a panel of people will select and rate a short inventory for placement that will include community members, faith leaders and religious figures. And it is easy to extend placement and it is not costly, since that word will play off the fact that the other pages contain the design and the content.
