of creating a face which turns out to be part of my consciousness I had to scribble all different types of meanings which could cause this As I wake up in the morning it was something different when I went to work I felt uncomfortable knowing I m working round males but I never expected any of this As my days went by scribble scribble and I kept finding different things to add to my Secret Notebook it was like I was creating my own book to put on sale What more could I be thinking of apart from all of the different things which kept taking place and was their a reason for what was taking place and why This was the strangest thing why I had to ask myself only I could find the answers and nobody at the time could help me with the answers I tried everything well almost everything thats all I can say and it wasn t easy I depended on my Secret Notebook this was my life which I d put into it everything I always said to myself the first kiss is the one that matters the most but you shouldn t give them all away at once This was something I said to myself is that a true fact do you hold back what you feel People see things happening on the streets but I see things in a different perspective because to me my mind is based on my Secret Notebook the only thing which keeps me going from day to day What is love is their true meaning to love can love be the question to most things in life or do people make up love stories each day of their life What is behind all of this my world of darkness the things which I see and feel I remember scribbling something down which I can t find the words to explain Occasionally I would get myself confused with my Vocabulary writing down all of these types of funny and sexual words The Life Story of Rosy Jane xxxxxx

thronegarbed in red silk Wil had long since deduced she was an Egyptian Queen from ancient times She did not appear afraid of his appearance almost as if she did not see the tentacles as she smiled at him admiration and warmth in her onyx gaze She was as beautiful in form as were her thoughts and her soul inexplicably clear to him And he as the creature loved her The dream puzzling as ever Wil ran a nervous hand through his darkened hair What was his subconscious trying to tell him He took a deep breath and climbed out of bed A steaming cup of coffee sweetened with cream and sugar followed by a nutritious breakfast would help him shake off the dream's effects Audrey is the great granddaughter of Elizabeth Grace whose story is told in the author's novellas and novel *The Adventures of Grace Quinlan* and Lord William Hayden **Kisses at Midnight**
