A Research Guide to Gothic Literature in English Sherri L. Brown,Carol Senf,Ellen J. Stockstill,2018-03-15 The Gothic began as a designation for barbarian tribes was associated with the cathedrals of the High Middle Ages was used to describe a marginalized literature in the late eighteenth century and continues today in a variety of forms literature film graphic novel video games and other narrative and artistic forms Unlike other recent books in the field that focus on certain aspects of the Gothic this work directs researchers to seminal and significant resources on all of its aspects Annotations will help researchers determine what materials best suit their needs A Research Guide to Gothic Literature in English covers Gothic cultural artifacts such as literature film graphic novels and videogames This authoritative guide equips researchers with valuable recent information about noteworthy resources that they can use to study the Gothic effectively and thoroughly

Colour and colour naming: crosslinguistic approaches João Paulo Silvestre,Esperança Cardeira,Alina Villalva,2016-09-01

The Colour and Colour Naming conference held in 2015 at the University of Lisbon offered a chance to explore colour naming processes from a cross linguistic approach The conference was an initiative of the working group Lexicography And Lexicology from a Pan European Perspective itself part of the COST action European Network of Lexicography The working group investigates the various ways by which vocabularies of European languages can be represented in dictionaries and how existing information from single language dictionaries can be displayed and interlinked to better communicate their common European heritage The proceedings gather together a selection of studies originally presented at the conference The first section of the volume outlines a Pan European perspective of colour names the second section is devoted to the categorisation and lexicographic description of colour terms **A Guide to the Best Historical Novels and Tales**
