Passive and Active Measurement Neil Spring, George F. Riley, 2011-03-11 This book constitutes the refereed proceedings of the 12th International Conference on Passive and Active Measurement PAM 2011 held in Atlanta GA USA in March 2011. The 24 revised full papers presented were carefully reviewed and selected from 56 submissions. The papers were arranged into seven sessions covering passive measurement, wireless models, bandwidth, automated bots, route avoidance, interdomain protocols, timing, and diagnosis.

OECD Internet Economy Outlook 2012 OECD, 2012-10-04 Supported by time series data, this publication presents an overview of trends and highlights how the Internet sector has proven to be resilient during the recent economic crisis.

Media and Culture with 2013 Update Richard Campbell, Christopher R. Martin, Bettina Fabos, 2012-02-20 Today's media landscape is changing faster than ever, and students are experiencing these developments firsthand. *Media and Culture* pulls back the curtain on the media and shows students what all these new trends and developments really mean, giving students the deeper insight and context they need to become informed media critics. The 2013 Update also includes the must-cover events and trends students need to know to become informed media consumers and critics from social media's influence on political events like the Occupy Wall Street movement and the Arab Spring revolutions, and what the News Corp phone hacking scandal means for journalism, to the continued growth of television streaming and apps, and the advent of tablet-only newspapers. Read the preface.

Media and Culture Richard Campbell, Christopher R. Martin, Bettina Fabos, 2011-02-23 It's no secret today's media landscape is evolving at a fast and furious pace, and students are experiencing these developments firsthand. While students are familiar with and may be using the latest products and newest formats, they may not understand how the media has evolved to this point or what all these changes mean. This is where *Media and Culture* steps in. The eighth edition pulls back the curtain and shows students how the media really works, giving students the deeper insight and context they need to become informed media critics.

The Content, Impact, and Regulation of Streaming Video Eli Noam, 2021-01-29 Along with its interrelated companion volume *The Technology, Business, and Economics of Streaming Video*, this book examines the next generation of TV online video. It reviews the elements that lead to online platforms and video clouds and analyzes the software and hardware elements of content creation and interaction and how these elements lead to different styles of video content.
