circumstances that transformed her into an extraordinary woman Through her faith Susan discovered that her life was a deliberate journey by the Higher Source Therefore she allowed her senses to channel with supernatural glowing light higher energies and receive messages As a result Susan is able to transmit this supernatural glowing energy through her handmade bracelet 4P steps miracle and healing others life and body As an addition she is anticipating to leave the legacy of this power spread behind herself Susans story reveals the foundation of our resolution on earth Her challenging ordinary life of being born as a woman in Afghanistan hauled her into a life of mystery yet is rewarding and had her travel on the road no ones dared to cross Thus doubt is not her life philosophy as she lived life by example Susans accomplishments and her PhD are not bought and cant be taught It was designated by the Higher Source as he knows her strength An Elusive Common Karen E. Rignall,2021-07-15 An Elusive Common details the fraught dynamics of rural life in the arid periphery of southeastern Morocco Karen Rignall considers whether agrarian livelihoods can survive in the context of globalized capitalism and proposes a new way of thinking about agrarian practice politics and land in North Africa and the Middle East Her book questions many of the assumptions underlying movements for land and food sovereignty theories of the commons and environmental governance Global market forces government disinvestment political marginalization and climate change are putting unprecedented pressures on contemporary rural life At the same time rural peoples are defying their exclusion by forging new economic and political possibilities In southern Morocco the vibrancy of rural life was sustained by creative and often contested efforts to sustain communal governance especially of land as a basis for agrarian livelihoods and a changing wage labor economy An Elusive Common follows these diverse strategies ethnographically to show how land became a site for conflicts over community political authority and social hierarchy Rignall makes the provocative argument that land enclosures can be an essential part of communal governance and the fight for autonomy against intrusive state power and historical inequalities
