Medicaid And Devolution Medicaid And Devolution:

Medicaid and Devolution Frank J. Thompson, John J. DiIulio, 1998-06-01 How much responsibility for providing health care to the poor should be devolved from the federal government to the states Any answer to this critical policy question requires a careful assessment of the Medicaid program Drawing on the insights of leading scholars and top state health care officials this volume analyzes the policy and management implications of various options for Medicaid devolution Proponents of devolution typically express confidence that states can meet the challenges it will pose for them But as this book shows the degree to which states have the capacity and commitment to use enhanced discretion to sustain or improve health care for the poor remains an open question Their failure to attend to issues of politics implementation and management could lead to disappointment Chapters focus on such topics as Medicaid financing benefits and beneficiaries long term care managed care safety net providers and the appropriate division of labor between the federal government and the states The contributors are Donald Boyd Center for the Study of the States Lawrence D Brown Columbia University James R Fossett Rockefeller College Richard P Nathan Nelson A Rockefeller Institute of Government State University of New York Albany Michael Sparer Columbia University James Tallon United Hospital Fund and Joshua M Weiner the Urban Institute Health Care Politics and Policy in America Kant Patel, 1995 Fully updated for this new edition Health Care Politics and Policy in America combines background and context for the evolution of U S health care policy with analysis of recent trends and current issues The book introduces public policy students to the complex array of health care issues and health care professionals to the study of public policy It provides comprehensive coverage of policy issues related to health care at the federal state and provider patient levels from Medicare and Medicaid funding and managed care to medical liability law and ongoing debates over the beginning of life and end of life decisions Health Care Politics and Policy in America successfully integrates political ethical economic legal technological and medical factors in an issue focused survey of U S health care policy It includes a chronology of health care policy related events and legislation from 1798 through 2005 and an appendix comparing medical malpractice tort laws state by state **Handbook of State Government Administration** John J. Gargan, 2020-01-27 Devised to meet the ongoing challenge of identifying the skills and knowledge necessary for expanding the governing capacity of state and local authorities this book discusses the fiscal consequences of get tough approaches to crime and presents more effective and less expensive policy options Surveying the range of administrative and management practices employed by state governments the editor and contributors explore the results of the governmental reform tradition the impact of federalism and intergovernmental relations and the effects of political culture on state government by focusing on economic development welfare corrections and environmental programs and policies The New Politics of State Health Policy Robert B. Hackey, David A. Rochefort, 2001 State governments in the past decade have had to take on the problem of health care with mixed results This collection of 11 essays of which two are an introduction and conclusion by academics and policy

makers consider the many issues that concern health care in the US and their effects at the state level including managed care health insurance expansion mental health care public health administration and bureaucratic reactions to health policy Hackey teaches health policy and management at Providence College in Rhode Island Rochefort teaches political science and public administration at Northeastern U in Boston c Book News Inc Healthcare Politics and Policy in America Kant Patel,Mark E. Rushefsky,2014-04-25 Fully updated this new edition provides a comprehensive examination of the ways that health policy has been shaped by the political socioeconomic and ideological environment of the United States The roles played by public and private institutional and individual actors in designing the healthcare system are identified at all levels

The Federal Vision Kalypso Nicolaidis,Robert Howse,2001-11-01 The Federal Vision is about the complex and changing relationship between levels of governance within the United States and the European Union Based on a transatlantic dialogue between scholars concerned about modes of governance on both sides it is a collective attempt at analysing the ramifications of the legitimacy crisis in our multi layered democracies and possible remedies Starting from a focus on the current policy debate over devolution and subsidiarity the book engages the reader in to the broader tension of comparative federalism Its authors believe that in spite of the fundamental differences between them both the EU and the US are in the process of re defining a federal vision for the 21st century This book represents an important new contribution to the study of Federalism and European integration which seeks to bridge the divide between the two It also bridges the traditional divide between technical legal or regulatory discussions of federal governance and philosophical debates over questions of belonging and multiple identities It is a multi disciplinary project bringing together historians political scientists and theorists legal scholars sociologists and political economists It includes both innovative analysis and prescriptions on how to reshape the federal contract in the US and the EU It includes introductions to the history of federalism in the US and the EU the current debates over devolution and subsidiarity the legal framework of federalism and theories of regulatory federalism as well as innovative approaches to the application of network analysis principal agent models institutional analysis and political theories of citizenship to the federal context The introduction and conclusion by the editors draws out cross cutting themes and lessons from the thinking together of the EU and US experiences and suggest how a federal vision could be freed from the hierarchical paradigm of the federal state and articulated around concepts of mutual tolerance and empowerment Healthcare Politics and Policy in America: 2014 Kant Patel,Mark E Rushefsky,2014-12-18 This book provides a comprehensive examination of the ways that health policy has been shaped by the political socioeconomic and ideological environment of the United States The roles played by public and private institutional and individual actors in designing the healthcare system are identified at all levels The book addresses the key problems of healthcare cost access and quality through analyses of Medicare Medicaid the Veterans Health Administration and other programs and the ethical and cost implications of advances in healthcare technology This fully updated fourth edition gives expanded attention to the

fiscal and financial impact of high healthcare costs and the struggle for healthcare reform culminating in the passage of the Affordable Care Act with preliminary discussion of implementation issues associated with the Affordable Care Act as well as attempts to defund and repeal it Each chapter concludes with discussion questions and a comprehensive reference list Helpful appendices provide a guide to websites and a chronology PowerPoint slides and other instructional materials are available to instructors who adopt the book Puzzling in the Administrative (welfare) State David Matthew Sprick, Max J. Skidmore, 2004 Disentitlement? Timothy S. Jost, 2003 This book is about health care entitlements in the US and about the threat of disentitlement It describes the history and legal character of our Medicare and Medicaid programs and of the tax subsidies that have brought health insurance to most working Americans It examines the threat that our entitlements face from privatization individualism and devolution It considers the models that other countries have developed for health care entitlements and what we can learn from them The book concludes by proposing a redesigned entitlement based health care system for the future **Principles and Practice of American Politics** Samuel Kernell, Steven S. Smith, 2018-04-03 Principles and Practice of American Politics is a well balanced reader covering all the major topics of an American Government course Blake Jones Ohio Valley University Combining timeless readings with cutting edge articles and essays Principles and Practice of American Politics Seventh Edition enriches students understanding of the American political system by examining the strategic behavior of key players in U S politics This collection of classic and contemporary readings brings concepts to life by providing students with real examples of how political actors are influenced by the strategies of others and are governed by the Constitution the law and institutional rules Carefully edited by award winning authors Samuel Kernell and Steven S Smith each reading is put into context to help students understand how political actions fall within a major national political forum New to the Seventh Edition Nine new and updated essays encourage students to reflect on the continuing debates over the polarization of the American electorate and Congress the role of social media and fake news in influencing public views of politicians and issues the fragile Trump coalition the efficacy of polling in tracking public opinion and other issues more relevant than ever in the wake of the 2016 elections Additional essays challenge students to think more carefully about alternative institutions and political arrangements The new essays present institutions of majority rule the nature of racial discrimination and the proper role of the court as less settled issues that provide students an opportunity to think through and discuss their views on the future direction of American civic life Each selection is artfully framed by Kernell and Smith s contextual headnotes to make them appropriate for classroom use Original readings written specifically for the volume give the book a coherent treatment of the performance of U S political institutions The Executive Branch Joel D. Aberbach, 2005 Presents a collection of essay that provide an examination of the Executive branch in American government explaining how the Constitution created the executive branch and discusses how the executive interacts with the other two branches of government at the federal and state level *Principles and Practice of American*

Politics Steven S. Smith, 2024-08-28 Combining timeless readings with cutting edge current selections *Principles and Practice of American Politics* effectively animates today's institutions and political arrangements in the study of American Government and politics Each selection is artfully framed by contextual headnotes and many of the readings are written specifically for the volume The Eighth Edition includes readings that present institutions of majority rule the nature of racial discrimination the proper role of the court and other issues that provide students an opportunity to think through and discuss their views on the future direction of American civic life

Tense Commandments Pietro S. Nivola, 2002-08-21 Despite widespread urban revitalization and renewal Americans still prefer the suburbs to the cities While many of the underlying causes of the urban predicament are familiar there is also the less recognized possibility that regulatory policies of the federal government disadvantage the cities and ultimately burden their ability to attract residents and businesses This book encourages renewed reflection on the suitable balance between national and local domains

Managed Care and Public Health Paul K. Halverson, Arnold D. Kaluzny, Curtis P. McLaughlin, Glen P. Mays, 1998 Public Health **Managing Green Mandates** Pietro S. Nivola, Jon A. Shields, 2004-06-23 Federal policies have made great progress protecting the environment But the policies sometimes have imposed inordinate costs on local governments *Managing Green Mandates* describes how various federal environmental directives do not suit diverse conditions at the local level and compel local communities to spend their revenues on reducing relatively minor risks to the public health While policymakers have thrown far reaching requirements at the feet of local authorities the federal government is providing them less aid to comply with the increasingly stringent standards The burden of these underfunded mandates can further disadvantage many overtaxed municipalities Pietro Nivola is a senior fellow in the Governmental Studies program at the Brookings Institution He is the author of *The Laws of the Landscape How Politics Shape Cities in Europe and America* Brookings 1999 Jon Shields is a graduate student in the Department of Government and Foreign Affairs at the University of Virginia

Encyclopedia of Social Work, 1965

Patients with Passports I. Glenn Cohen, 2015 The world may be getting smaller every day but until very recently health care remained local *Patients with Passports* is the first comprehensive legal and ethical analysis of one part of the globalization of health care medical tourism The author examines the two sides of the industry medical tourism for services legal in the patient's home country where patients travel to places such as India Thailand and Mexico to reduce costs avoid queues or qualify for insurance incentives and medical tourism for services illegal in the home country

Health Law News University of Houston. Health Law and Policy Institute, 2002

The Tools of Government Odus V. Elliott, 2002-02-22 The new tools of public action have come to rely heavily on third parties private businesses nonprofit organisations and other levels of government for their operation *The Tools of Government* is a comprehensive guide to the operation of these tools and to the management accountability policy and theoretical issues they pose
