Guide and DVD Training System is a one of a kind integration of text DVD quality instructor led training and Web based exam
simulation and remediation This system gives you 100% coverage of the official Microsoft 70 290 exam objectives plus test
preparation software for the edge you need to pass the exam on your first try In June 2003 Microsoft will launch beta exams
for the Windows Server 2003 certification line Exams will likely go live the following August and September This launch is a
comprehensive revamping of the MCSE Microsoft Certified System Engineer track with all new core exams and all new
electives In addition the MCSA Microsoft Certified System Administrator certification will expand its program to include an
additional upgrade exam for MCSAs wanting to become MCSEs The launch of this new certification track means that all
current MCSEs representing an installed base of approximately 200 000 source MCP Magazine will need to recertify under
Windows Server 2003 In addition any MCP looking to become an MCSE estimates are about 1 2 million source MCP
Magazine will also have to continue their certifications under the new program Many industry experts expect the Windows
2003 certification and product line as well to be a more popular track since many organizations are still using NT and plan to
skip 2000 and go directly to 2003 DVD Provides a Virtual Classroom Get the benefits of instructor led training at a fraction of
