Me And We Gods New Social Gospel:

Me and We Leonard Sweet, 2014-09-16 When Christians answer the clarion call to be missional too often it is primarily to feel good or to grow in their own faith But ultimately we remain unsatisfied because in the end it s still about me my church my faith my salvation Then sometimes inspiration dries up We forget that Jesus is the head of the Church which exists at God s pleasure and disposal God is birthing a new Social Gospel meant to reclaim mission and justice ministries as prime directives for the Church and not with the naive thinking of the 19th or 20th centuries What are the characteristics of this new Social Gospel There is an expectation that mission is with and not for others There is an acknowledgement that tolerance is not a dirty word and we have to find a peaceable way to live in our intercultural world It carries the Wesleyan impulse to change the world by working to build God s kingdom in this world It offers the grace and salvation of Christ to those in need believing that none are free unless all are free It means that we feed the hungry educate to poor and equip the powerless in tangible ways

Treasures Old and New Michael Adam Beck, Steve Harper, 2025-02-04 The way forward requires both old ways and new ways Step into the world of Wesleyan beliefs and practices with this small insightful and impactful book Join the Wesleys on their journey through early Methodism and unlock hidden treasures that are still relevant today Harper and Beck expertly guide readers towards a new era of Christian experience combining old traditions with modern approaches for a revitalized church community With its compact size this book is perfect for leaders looking to unite their congregations around Methodist identity and future direction Don t miss out on this essential resource for shaping the next chapter in your faith journey This book is a must read for anyone in the Wesleyan faith stream those involved in fresh expressions and other unconventional faith communities and leaders within Wesleyan communities Discover the heart of Methodist tradition envision its relevance today and boldly share these timeless treasures and new visions with others

The Jesus Quotient Jennie A. Harrop, 2019-06-21 As leaders our capacity to hear is often muddled by an inability to acknowledge our own insufficiencies and emotions Jesus knew his God given purpose and emotional character so deeply that he was able to operate out of these foundations boldly and instinctively Jesus s infallible Intelligence Quotient IQ and Emotional Quotient EQ allowed him to focus on a third concept called Audience Quotient AQ an individual s ability to focus consistently completely and effectively on others As a church we are failing a twenty first century culture that is defined by an unprecedented interconnectedness and speed of information We are witnessing a scramble to manipulate and manage information that demands renewed integrity and yet the church is seen as hypocritical judgmental and irrelevant If we are going to earn a voice the future church cannot be about the components of church at all but instead the individual souls within the church pastors included The better we ground ourselves in the truth of who we were created to be IQ EQ and AQ the better able we will be to love God fully and love those around us as we love ourselves That after all is what Jesus commanded us to do

Mother Tongue Leonard Sweet, 2017 Most people know Leonard Sweet one of the world s most

influential evangelicals as a sharp cultural critic who helps us see how to get in front of the future rather than be bowled over by it One of his greatest influences was his mother a groundbreaking and sometimes controversial minister who defied convention while honoring tradition In this exceptionally personal work Len Sweet opens his mother s memory box and in the process he helps us all embrace the future with confidence while tethering us to a faith that transcends time Through Len s experience we all will better understand and process how our own heritage affects our legacy Provided by publisher

Rings of Fire Leonard Sweet,2019 What Lies Ahead for Christians and the World If you follow the works of bestselling authors Malcolm Gladwell Faith Popcorn Daniel Pink and other trend forecasters you ll appreciate learning about the more than 25 rings of fire that lie ahead for Christians and the world In the face of eruptive and disruptive changes in technology communications bioethics and beyond how do we fight fire with fire not only catching up to our culture but also leading our friends and neighbors toward God No one has done more to startle the church from its slumber than Len Sweet and no one has equipped the church as effectively This is a benchmark book from a seminal leader of the modern evangelical movement More than 25 game changing and century defining rings of fire Stimulating questions for reflection and discussion from scholar and pastor Mark Chironna

The Highest of All Mountains Samuel K. Sarpiya,2021-03-18 This book is for people who believe that the gospel is a message of peace and this gospel of peace is relevant for our time Peacemaking is a core part of our Christian discipleship just as we learn how to pray just as we learn how to love our neighbors just as we learn how to feed the hungry We can also learn how to be peacemakers Sarpiya believes that peacemaking is central to the Christian faith and practice This book will serve as a guide that will offer a scriptural guide with practical stories and applications Readers will be challenged by Scripture to take the call to peacemaking into their communities The fact that numerous peace treaties have collapsed serves to show how difficult it is to transcend cycles of violence and foster a sustained durable peace The one place that one could look to for answers about how to move toward peace is within faith communities and sometimes not just one faith acting alone but working alongside other faiths in concert with other faiths taking an interreligious approach The Highest of All Mountains shows how Sarpiya s Christian peacemaking backed by the interreligious approach brings the monotheistic faiths together as they all agreed on one denominator to their faith s origin Abraham
