Scarred George Molho,2013-10-02 In 1978 seven year old George Molho was kidnapped by his own father For a year he survived mental and physical abuse to the point of torture He found it easier to get used to hell than to hope that heaven was around the corner George eventually escaped but surviving the aftermath proved to be much more difficult This memoir weaves past and present together to connect the pieces of Molhos childhood and adult life that shaped the man he would become It explores the adage love conquers all revealing the inner workings that we all seek to understand George was lucky to learn how to love from his family before his abduction before his fathers cruel version of love was inflicted upon his young body and psyche Later in life love compels him to divulge all that happened on the mountainside where he left his innocence as a boy Its not about how hard we get hit its about how much we can take and keep moving forward Scarred is a memoir written by a survivor intended to empower and embolden all who have suffered have survived and are ready to be set free This will be

known as the book that set the literary genre of memoir free Scarred reads like fiction while shattering the facade of make believe Molho becomes the victor of his past and his triumph is contagious Andrea Afra Free Press Houston **Dragonfly Heart** , Scarlett Elle Klass,2017-11-12 At five my parents died in a horrible car crash changing my life for the worst I was thrust into a life I never expected and had to learn to adapt in order to survive no matter the cost Soon I was shuffled into the foster system becoming a lost child with no ties My roommate and mortal enemy divulged a troubling rumor about my parents forcing me to question everything I knew Even worse I realized I had a gift or a curse that allowed me to see and interact in the spiritual realm It was only a matter of time before I learned ghosts weren't always trustworthy and some had hidden motives They become part of my life past present and future I no longer knew who to trust or who to run from When I met my half sister I thought my problems were over or at least the odds were looking better until their dirty little secrets spilled over into my life and well being They used my body to quell their insatiable need and performed a terrifying experiment on me one that worked Enough was enough I planned my revenge against those who harmed me using my spiritual talent It was all that I had and gave me an edge Will my plan work or will I forever live with the insidious actions of others This story contains mature content and is intended for audiences 18 and up **Faithful Travelers** James Dodson,2017-10-24 In Final Rounds James Dodson told the poignant story of the golf trip of a lifetime with his terminally ill father Now armed with a fly fishing rod and reel he embarks with his seven year old daughter on an equally memorable journey across America in search of clear running streams swift elusive fish and the eternal truths that only nature can provide It has been said that life is what happens while you're waiting to go fishing Only weeks after his eleven year marriage abruptly ended in an amicable divorce James Dodson decided to go on a fly fishing pilgrimage west His goal to heal his wounded spirit and explain as best he could the vagaries of life and love to his beautiful precocious seven year old daughter Maggie With his beat up truck Old Blue and his aging retriever Amos Dodson and Maggie travel without plans or reservations following where the spirit and the lure of America's mighty rivers leads them on their way to one of America's grandest treasures Yellowstone National Park On the way Dodson discovers a great deal about fishing about America and about the special relationship that exists only between a father and daughter They travel from the Adirondacks once a fly angler's haven to the mist shrouded Niagara Falls From the Michigan lakes where Ernest Hemingway roamed as a boy to small town county fairs From the majesty of Mount Rushmore to the mysticism of Harney's Peak where Black Elk had his legendary visions to finally the fly fisherman's paradise of the San Juan River Together father and daughter are bound by a tie as resilient and unpredictable as a fly fisherman's line For as the emotional waters in which they fish become ever more turbulent Maggie's unspoken feelings of grief anger and blame begin to surface a depth of hurt that forces Dodson to face his own unacknowledged pain and worse leaves him feeling helpless to make everything all right in his daughter's life again Yet if fly fishing has taught James Dodson anything it is the rewards of patience of following the wisdom of the course of the

stream the unexpected revelations reflected in still pools and of course an abiding belief in plain dumb luck With a little of each these faithful travelers will find their way home again Literate honest and deeply observant Faithful Travelers is a beautiful meditation on the bond between parent and child and the nature of love and loss In Faithful Travelers James Dodson proves that sometimes life isn't what happens while you're waiting to go fishing sometimes it happens while you're there
