The Years of Lyndon Johnson Robert A. Caro, 1990-01 In the second volume the author reveals some of the more extreme grotesqueries of American politics For this is the time when Johnson created for himself a much exaggerated record as a war hero when he and his wife Lady Bird made themselves rich by juggling radio station licences And it is the time when Johnson fought for and won by 87 dubious votes his first seat in the US Senate in an election whose corruption was legendary even by Texas standards

The Path to Power Robert A. Caro, 1982-11-12 *The Years of Lyndon Johnson* is the political biography of our time No president no era of American politics has been so intensively and sharply examined at a time when so many prime witnesses to hitherto untold or misinterpreted facets of a life a career and a period of history could still be persuaded to speak *The Path to Power* Book One reveals in extraordinary detail the genesis of the almost superhuman drive energy and urge to power that set LBJ apart Chronicling the startling early emergence of Johnson's political genius it

follows him from his Texas boyhood through the years of the Depression in the Texas hill Country to the triumph of his congressional debut in New Deal Washington to his heartbreaking defeat in his first race for the Senate and his attainment nonetheless of the national power for which he hungered We see in him from earliest childhood a fierce unquenchable necessity to be first to win to dominate coupled with a limitless capacity for hard unceasing labor in the service of his own ambition Caro shows us the big gangling awkward young Lyndon raised in one of the country's most desperately poor and isolated areas his education mediocre at best his pride stung by his father's slide into failure and financial ruin lunging for success moving inexorably toward that ultimate impossible goal that he sets for himself years before any friend or enemy suspects what it may be We watch him while still at college instinctively and ruthlessly creating the beginnings of the political machine that was to serve him for three decades We see him employing his extraordinary ability to mesmerize and manipulate powerful older men to mesmerize and sometimes almost enslave useful subordinates We see him carrying out before his thirtieth year his first great political inspiration tapping and becoming the political conduit for the money and influence of the new oil men and contractors who were to grow with him to immense power We follow close up the radical fluctuations of his relationships with the formidable Mr Sam Rayburn who loved him like a son and whom he betrayed and with FDR himself And we follow the dramas of his emotional life the intensities and complications of his relationships with his family his contemporaries his girls his wooing and winning of the shy Lady Bird his secret love affair over many years with the mistress of one of his most ardent and generous supporters Johnson driving his people to the point of exhausted tears equally merciless with himself Johnson bullying cajoling lying yet inspiring an amazing loyalty Johnson maneuvering to dethrone the unassailable old Jack Garner then Vice President of the United States as the New Deal's connection in Texas and seize the power himself Johnson raging Johnson hugging Johnson bringing light and indeed life to the worn Hill Country farmers and their old at thirty wives via the district's first electric lines We see him at once unscrupulous admirable treacherous devoted And we see the country that bred him the harshness and nauseating loneliness of the rural life the tragic panorama of the Depression the sudden glow of hope at the dawn of the Age of Roosevelt And always in the foreground on the move LBJ Here is Lyndon Johnson his Texas his Washington his America in a book that brings us as close as we have ever been to a true perception of political genius and the American political process

Master of the Senate Robert A. Caro, 2002-04-23 Master of the Senate Book Three of The Years of Lyndon Johnson carries Johnson's story through one of its most remarkable periods his twelve years from 1949 to 1960 in the United States Senate A Los Angeles Times Best Nonfiction Book of the Last 30 Years At the heart of the book is its unprecedented revelation of how legislative power works in America how the Senate works and how Johnson in his ascent to the presidency mastered the Senate as no political leader before him had ever done It was during these years that all Johnson's experience from his Texas Hill Country boyhood to his passionate representation in Congress of his hardscrabble constituents to his tireless construction of a political machine

came to fruition Caro introduces the story with a dramatic account of the Senate itself how Daniel Webster Henry Clay and John C Calhoun had made it the center of governmental energy the forum in which the great issues of the country were thrashed out And how by the time Johnson arrived it had dwindled into a body that merely responded to executive initiatives all but impervious to the forces of change Caro anatomizes the genius for political strategy and tactics by which in an institution that had made the seniority system all powerful for a century and more Johnson became Majority Leader after only a single term the youngest and greatest Senate Leader in our history how he manipulated the Senate s hallowed rules and customs and the weaknesses and strengths of his colleagues to change the unchangeable Senate from a loose confederation of sovereign senators to a whirring legislative machine under his own iron fisted control Caro demonstrates how Johnson s political genius enabled him to reconcile the unreconcilable to retain the support of the southerners who controlled the Senate while earning the trust or at least the cooperation of the liberals led by Paul Douglas and Hubert Humphrey without whom he could not achieve his goal of winning the presidency He shows the dark side of Johnson s ambition how he proved his loyalty to the great oil barons who had financed his rise to power by ruthlessly destroying the career of the New Dealer who was in charge of regulating them Federal Power Commission Chairman Leland Olds And we watch him achieve the impossible convincing southerners that although he was firmly in their camp as the anointed successor to their leader Richard Russell it was essential that they allow him to make some progress toward civil rights In a breathtaking tour de force Caro details Johnson s amazing triumph in maneuvering to passage the first civil rights legislation since 1875 Master of the Senate told with an abundance of rich detail that could only have come from Caro s peerless research is both a galvanizing portrait of the man himself the titan of Capital Hill volcanic mesmerizing and a definitive and revelatory study of the workings and personal and legislative power
