Aedan Kathi S. Barton,2016-07-25 Nikki Neal was damn good at her job As an undercover cop she had just about enough information to put the local crime boss away but she needed more to make it stick But when someone blew her cover Nikki found herself on the wrong end of several guns Aedan Harrison was on the fast track to winning the Governor s seat for the state of Ohio He had his whole life or at least his immediate future planned out What he didn t need was a mate he hadn t made plans for throwing a monkey wrench into the mix The last thing Nikki needed was an overbearing jackass ordering her about and telling her how much he didn t need her in his life right now Well she didn t need him either She had work to do and needed to get herself and her grandda to safety It didn t take long for Aedan s family to convince him of the error of his ways and when he saw what he d done he felt like an ass All he wanted to do was make it right but could he grovel enough for her to accept him

Thatcher Kathi S. Barton,2019-01-21 A fresh start was what Rogan Hall needed A small town out of the way where no one knew her or her brother was where they d start over She worked from home and they kept to themselves The only thing Rogan couldn t give up was her early morning run Like clockwork she ran every morning and again like clockwork the same family would pass her on the country road heading to who knew where The little boy in the back seat would wave at her with such enthusiasm it made her heart melt However that morning everything would change Only moments after the car passed her and drove around the bend she heard a loud commotion Another car barreled past her and she found the quaint family s car overturned and on fire Rogan did the only thing she could do she saved them Thatcher Robinson was on duty at the hospital when his parents contacted him through their link and told him about the accident and what to expect when the ambulance arrived Thatch his dad told him they had to save the woman by changing her but her burns were severe and his dad wasn t sure that the new tiger would survive When Rogan regained consciousness she was unsure where she was but she knew she was different She could feel the tiger move just beneath her skin Rogan knew very little about shifters but what she did know had her cringing Why someone would take it upon themselves to change her she didn t know but when the young doctor Dawson said his brother was her mate she was furious If the big bad Thatcher thought he was going to order her around he had another thing coming

The Unicorn's Mare S J Sanders,2021-04-04 Steph Bennet has a 5 year plan to get ahead despite the new challenges that have come with the fae crossing into the human world Regardless she is focused on her goals and that doesn t include a shape shifting unicorn who insists that she is his mate and the only key to his survival and getting his waning powers returned to him This can be negotiated right Not wanting to be anyone s mate but also not wanting to be responsible for the death of a unicorn she will pose as his mate and go with him across fae territory to the Heart of Wells in the golden grotto Once his powers are restored and the magic binding them severed then it s contract fulfilled and she can get back on track No problem Now if only she can just get rid of the rag tag band of fairies out for a nibble on blood infused with unicorn magic and make it there in one piece She is

prepared for anything except falling in love Eliph like most unicorns has waited centuries to find his mare his perfect mate He will allow her to think that there is escape but she will soon find out that fae matings especially among unicorns are forever Please be aware that this preorder date is subject to bumped up to a sooner date if the book gets finished on time

Aedan Kathi S. Barton,2016-07-25 **Sweet Tempo** James P. Kain,2009-05-11 From the Prologue of Sweet Tempo Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven't seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie reincarnated or something I often disappointed him It's just as well that he didn't call me Little Leo But it's having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom's letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie's pantaloons and into gabardine trousers of adulthood although I really don't know what gabardine is for I still wear denim When I decided that I had enough of college and wanted to travel they surprised me by not arguing At that point I wasn't sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You'll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up **Lyon's Queen** S. Storm,2016-05-10 Cami Reign had no plans of returning home to her rural roots But now after two years she was on her way home to bury her father and deal with the estranged relationship between she and her mother Cami had no idea that her life was about to change forever as family secrets lies and murders would reveal themselves along with the knowledge of her upcoming marriage to a man she never met Lyon Winters strong handsome and rich believed in family and land When the contract of his marriage was brought to his attention he knew the honorable thing to do was to honor it What he didn't expect was the small city girl who had no knowledge of the land or her people It was up to him to show her the way without getting lost himself **Big Girl** S.
