World Series This Month Install:

The Ashes of Lou Gehrig and Other Baseball Essays Sean Peter Kirst, 2010-07-27 The parents and widow of Lou Gehrig were so concerned about the potential desecration of his grave that they considered moving his ashes to the Hall of Fame Officials embraced the idea of creating a mausoleum for baseball greats but the idea was killed by Gehrig's wife whose cryptic remarks leave us wondering to this day about the disposition of his remains Kirst's essay on Gehrig's ashes and numerous other essays are put together from dozens of personal interviews with baseball characters Babe Dahlgren claims he was blacklisted for rumors of marijuana use Babe Ruth sends a note to a child stricken with polio a note nearly lost when the family moved and the first physical confirmation obtained by the Hall of Fame of the slugger's legendary kindness to children a black cat is brought to the ballpark as a gesture of contempt when Jackie Robinson plays against Syracuse a team he felt treated him as badly as any in the International League The collection contains new information about the father of baseball card collecting about a bat company whose accomplishments were lost in baseball lore and about the murder trial of the first African American to play in the Major Leagues Beautifully written filled with fresh facts and revelations these essays will appeal

Crack of the Bat James R. Walker, Pat Hughes, 2015-05-01 The crack of the bat on the radio is ingrained in the American mind as baseball takes center stage each summer Radio has brought the sounds of baseball into homes for almost one hundred years helping baseball emerge from the 1919 Black Sox scandal into the glorious World Series of the 1920s The medium gave fans around the country aural access to the first All Star Game Lou Gehrig's farewell speech and Bobby Thomson's Shot Heard Round the World Red Barber Vin Scully Harry Caray Ernie Harwell Bob Uecker and dozens of other beloved announcers helped cement the love affair between radio and the national pastime Crack of the Bat takes readers from the 1920s to the present examining the role of baseball in the development of the radio industry and the complex coevolution of their relationship James R Walker provides a balanced nuanced and carefully documented look at radio and baseball over the past century focusing on the interaction between team owners local and national media and government and business interests with extensive coverage of the television and Internet ages when baseball on the radio had to make critical adjustments to stay viable Despite cable television's ubiquity live video streaming and social media radio remains an important medium through which fans engage with their teams The evolving relationship between baseball and radio intersects with topics as varied as the twenty year battle among owners to control radio the development of sports as a valuable media product and the impact of competing technologies on the broadcast medium Amid these changes the familiar sounds of the ball hitting the glove and the satisfying crack of the bat stay the same Purchase the audio edition

MATLAB Kelly Bennett, 2014-09-08 MATLAB is an indispensable asset for scientists researchers and engineers The richness of the MATLAB computational environment combined with an integrated development environment IDE and straightforward interface toolkits and simulation and modeling capabilities creates a research and development tool that has no equal From

quick code prototyping to full blown deployable applications MATLAB stands as a de facto development language and environment serving the technical needs of a wide range of users As a collection of diverse applications each book chapter presents a novel application and use of MATLAB for a specific result *Popular Science Monthly* ,1926 Electrical Installation Record ,1929 **Baseball Under the Lights** Charlie Bevis,2021-05-14 Night games transformed the business of professional baseball as the smaller demographically narrower audiences able to attend daytime games gave way to larger more diversified crowds of nighttime spectators Many ball club owners were initially conflicted about artificial lighting and later actually resisted expanding the number of night games during the sport s struggle to balance ballpark attendance and television viewership in the 1950s This first ever comprehensive history of night baseball examines the factors obstacles and trends that shaped this dramatic change in both the minor and major leagues between 1930 and 1990 **Out of the Park** Ed Mickelson,2015-02-18 During the Golden Age of baseball as many as 59 minor leagues operated in a single season and hundreds of G I s returning home from World War II competed in them for the big break that would land them one of only 400 spots on 16 teams in the majors These were truly the days when athletes played purely for the love of the game motivated by goals that seemed always just beyond their fingertips Among the many men who endured shocking extremes in pursuit of that diamond plate dream was first baseman Ed Mickelson This book relates the entirety of his 11 year struggle against the odds of success A talented athlete from his early youth Mickelson followed the game he loved across continental America winning some and losing some but always persevering While a recruit for Lynchburg in the Class B Piedmont League Mickelson maintained a league leading 393 batting average When traded to the Southeastern League in Montgomery Alabama he scaled his previous statistic to achieve an average of 417 In his first major league start an ailing Stan Musial provided the opportunity for Ed to get one of only two hits against Hall of Famer Warren Spahn After batting 335 and driving in 139 runs at Shreveport Louisiana in the Texas League Ed was honored to become first pick among 8500 players in the Minor League draft in 1954 making him a Portland Beaver in the Pacific Coast League This book captures the fierceness of his struggle throughout his career before the man who drove in the last run of the St Louis Browns would eventually hand over his bat and go home Despite his impressive statistics the second highest batting average in the Pacific Coast League and the best fielding percentage among first basemen Mickelson traded in professional baseball for a career of high school counseling and coaching young athletes some becoming professionals themselves His story is told here for veterans scholars and fans alike revealing first hand the both difficult and rewarding challenges of the big game **Popular Science Monthly and World's Advance** ,1916 **Moon Baseball Road Trips** Timothy Malcolm,Moon Travel Guides,2024-09-10 Baseball is called America s pastime for a reason Experience the best of the MLB cities and stadiums with Moon Baseball Road Trips Inside you ll find Flexible Itineraries Explore the 30 major league cities with a variety of road trip options including a Boston to DC route a loop through the Midwest a dip into Toronto a cruise along the West Coast and more Visit

Indian Information Series ,1948 **The Los Angeles Dodgers Encyclopedia** Richard J. Shmelter,2017-12-04 Over the past 60 seasons the Los Angeles Dodgers have risen to the pinnacle of Major League Baseball winning 21 National League pennants and 6 World Series titles Amid the backdrop of Hollywood glitz and glamor the iconic franchise owes its consistent success to the talents and efforts of many This encyclopedia provides stats and biographical details for all of them Sections cover the 1958 2016 seasons influential players and executives Dodgers traditions and season and career records An all time player roster and list of all time managers are included

The Sphinx That Traveled to Philadelphia Josef Wegner,Jennifer Houser Wegner,2015-09-28 Written to celebrate the centennial of the Sphinx s arrival in Philadelphia The Sphinx That Traveled to Philadelphia tells the fascinating story of the colossal sphinx that is a highlight of the Penn Museum

s Egyptian galleries and an iconic object for the Museum as a whole The narrative covers the original excavations and archaeological history of the Sphinx how it came to Philadelphia and the unexpected ways in which the Sphinx s story intersects with the history of Philadelphia the University of Pennsylvania and the Museum just before World War I The book features ample illustrations photographs letters newspaper stories postcards maps and drawings drawn largely from the extensive materials in the Museum Archives Images of related artifacts in the Penn Museum s Egyptian collection and other objects from the Egyptian Near East and Mediterranean Sections many not on view and some never before published as well as pieces in museums in the United States Europe and Egypt place the story of the Penn Museum Sphinx in a wider context The writing style is informal and text is woven around the graphics that form the backbone of the narrative The book is designed to be of interest to a wide audience of adult readers but accessible and engaging to younger readers as well The Seattle District Monthly Flagship ,1991 **Play Harder** Gerald Early,National Baseball Hall of Fame,2025-04-29 An authoritative exploration of how Black Americans have shaped baseball from its emergence after the Civil War to the Negro Leagues and Jackie Robinson s breaking of the color barrier up to today s game by award winning author Gerald Early in collaboration with the National Baseball Hall of Fame No sport has been more associated with America s sense of itself with its identity than baseball No sport has been so inextricably bound with America s traditions with its notions of democracy and fair play than baseball And no professional sport in America has been as dramatically connected to social change as Major League Baseball when it became racially integrated the moment Jackie Robinson took the field with the Brooklyn Dodgers on April 15 1947 Play Harder comes at a time when the history of Black baseball has become especially relevant following MLB s recent recognition of the Negro Leagues as major leagues and the effort to incorporate statistics from the Negro Leagues into those for all players Before Robinson as Play Harder shows Black athletes played baseball as far back as the 1800s even before the establishment of the Negro Leagues But once founded in 1920 the Negro Leagues gave Black Americans an inroad to baseball that would be enduring and profound The leagues were an instrument of community building during a time when discrimination separated Black people from all white enterprises including baseball and they paved the way for racial integration that Black players hoped would come Play Harder showcases the Black stars of the game those from baseball s early years such as Moses Fleetwood Walker and Rube Foster Negro Leagues stars like Satchel Paige and Cool Papa Bell Jackie Robinson and those who crossed the color line after him like Hank Aaron and Willie Mays followed by Frank Robinson and Curt Flood and the stars who ushered in today s game such as Reggie Jackson Dave Winfield Barry Bonds and Ken Griffey Jr Playing out against the cultural and political events of 150 years the story bears witness to the richness of this country s diversity while remaining clear eyed about the racial injustice endured by Black Americans In the end Play Harder celebrates the triumph of some of baseball s greatest players and their remarkable contributions to the game we know and love today **Typographical Journal** ,1916 R Cookbook Paul Teetor,2011-03-03 With more than 200 practical recipes

this book helps you perform data analysis with R quickly and efficiently The R language provides everything you need to do statistical work but its structure can be difficult to master This collection of concise task oriented recipes makes you productive with R immediately with solutions ranging from basic tasks to input and output general statistics graphics and linear regression Each recipe addresses a specific problem with a discussion that explains the solution and offers insight into how it works If you re a beginner R Cookbook will help get you started If you re an experienced data programmer it will jog your memory and expand your horizons You ll get the job done faster and learn more about R in the process Create vectors handle variables and perform other basic functions Input and output data Tackle data structures such as matrices lists factors and data frames Work with probability probability distributions and random variables Calculate statistics and confidence intervals and perform statistical tests Create a variety of graphic displays Build statistical models with linear regressions and analysis of variance ANOVA Explore advanced statistical techniques such as finding clusters in your data Wonderfully readable R Cookbook serves not only as a solutions manual of sorts but as a truly enjoyable way to explore the R language one practical example at a time Jeffrey Ryan software consultant and R package author
