Rod Lloyd, 2023-01-21 Growing up in a family that owned rental property and owning my own rental property since I was 18 I have a lifetime of experience managing rental property A background in construction and Property Inspection gave me a unique position to share what I know the lessons I have learned and the pitfalls to avoid I will walk you through buying financing choosing tenants maintenance management collecting rents evictions and much more Covers Buy and Hold Long Term Rental Mobile Homes and House Flipping **Money From Mobiles By an Old Pro** D. Rod Lloyd, 2023-01-21 The most comprehensive book on Mobile Homes This is a nuts and bolts description of how to make money from mobile homes I have no intention of talking you into this plan by giving brainwashing example after example of the deals I am also not going to gloss over the pitfalls and problems of the system either It is not a get rich quick scheme and there is some risk involved It takes some cash to run the system and I do not recommend doing it on a shoestring It takes some time but can be a lot of fun However it is possible to make an excellent return on your investment Today interest rates have almost shriveled up and died Those who have saved

all their lives to secure retirement have a wake up call from failed speculative investments or almost zero interest rates for safe investments

The Women Could Fly Megan Giddings, 2022-08-09 Reminiscent of the works of Margaret Atwood Shirley Jackson and Octavia Butler a biting social commentary from the acclaimed author of *Lakewood* that speaks to our times a piercing dystopian novel about the unbreakable bond between a young woman and her mysterious mother set in a world in which witches are real and single women are closely monitored Josephine Thomas has heard every conceivable theory about her mother's disappearance That she was kidnapped Murdered That she took on a new identity to start a new family That she was a witch This is the most worrying charge because in a world where witches are real peculiar behavior raises suspicions and a woman especially a Black woman can find herself on trial for witchcraft But fourteen years have passed since her mother's disappearance and now Jo is finally ready to let go of the past Yet her future is in doubt The State mandates that all women marry by the age of 30 or enroll in a registry that allows them to be monitored effectively forfeiting their autonomy At 28 Jo is ambivalent about marriage With her ability to control her life on the line she feels as if she has never understood her mother more When she's offered the opportunity to honor one last request from her mother's will Jo leaves her regular life to feel connected to her one last time In this powerful and timely novel Megan Giddings explores the limits women face and the powers they have to transgress and transcend them
