Foreword by KATIE CANNON

Mining The Motherlode Methods In Womanist Ethics

L. Gillman

Mining The Motherlode Methods In Womanist Ethics:

Mining the Motherlode Stacey M. Floyd-Thomas, 2006 This book clearly defines the tenets, resources, and methods of womanist Christian social ethics by providing a womanist orientation on how racial and gender ideologies as well as social position inform research methods for this field. Floyd Thomas accomplishes this by bullet a articulating the methodological contributions that womanist ethicists have made in this field of Christian ethics bullet b distinguishing between traditional Christian ethics and liberation ethics bullet c upholding Black women's moral struggles with race, class, and gender as an essential context to inform ethical inquiry and new possibilities for social justice. Will appeal to a broad scholarly audience. **Toward a Womanist Ethic of Incarnation** Eboni Marshall Turman, 2013-12-18 The Black Church is an institution that emerged in rebellion against injustice perpetrated upon Black bodies. How is it then that Black women's oppression persists in Black churches? This book engages the Chalcedonian Definition as the starting point for exploring the body as a moral dilemma. *An Introduction to Womanist Biblical Interpretation* Nyasha Junior, 2015-10-30 An Introduction to Womanist Biblical Interpretation provides a much needed introduction to womanist approaches to biblical interpretation. It argues that womanist biblical interpretation is not simply a byproduct of feminist biblical interpretation but part of a distinctive tradition of African American women's engagement with biblical texts. While womanist biblical interpretation is relatively new in the development of academic biblical studies, African American women are not newcomers to biblical interpretation. Written in an accessible style, this volume highlights the importance of both the Bible and race in the development of feminism and the emergence of womanism. It provides a history of feminist biblical interpretation and discusses the current state of womanist biblical interpretation as well as critical issues related to its development and future. Although some African American women identify themselves as womanists, the term's usage, its features, and its connection to feminism remain widely misunderstood. This excellent textbook is perfect for helping to introduce readers to the development and applications of womanist biblical interpretation. **Womanist Bioethics** Wylin D. Wilson, 2025-01-28 Womanist Bioethics introduces a practical framework to address health disparities and inequities, arguing that doing justice to Black women's bodies entails understanding health and vulnerability as cultural productions, thus implicating medical policy making, economic, and religious institutions in the Black women's health crisis. *The Wiley Blackwell Companion to Practical Theology* Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field, The Wiley Blackwell Companion to Practical Theology presents an introduction to practical theology as a major area of Christian study and practice, including an overview of its key developments, themes, methods, and future directions. The first comprehensive reference work to provide a survey, description, and analysis of practical theology as an area of study. A range of leading scholars in the field provide original contributions on the major areas, issues, and figures in practical theology. Reviews an extensive range of methods for studying theology in practice along with sub-disciplines in

theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life African American Religious Life and the Story of Nimrod A. Pinn, Allen Dwight Callahan, 2007-12-25 The biblical text and its key figures have played a prominent role in the development of religious discourse on pressing socio political issues Slavery and continued discrimination were given theological sanction through the Old Testament story of Ham but what of his descendent Nimrod the hunter **Black Theology--Essays on Gender Perspectives** Dwight N. Hopkins, 2017-06-15 What do African

American men have to do with gender In this collection of riveting and wide ranging essays Dwight N Hopkins draws on over thirty five years of wrestling with these questions Too often gender is seen as a woman s only discussion But in reality men have a gender too Some say it is biological others claim it has to do with socialization Hopkins s career has focused on defining what a black American man is and how he builds bridges of support and engagement with women Hopkins s research as a theologian and his experiences substantiate that the importance of religious viewpoints principled values and future hope remain key to any successful creation of a new African American male and new healthy male female interactions

Black Church Studies Stacey Floyd-Thomas, Juan M. Floyd-Thomas, Carol B. Duncan, Dr. Stephen G. Ray JR., Nancy Lynne Westfield, 2007-11-01 Religious Studies Over the last thirty years African American voices and perspectives have become essential to the study of the various theological disciplines Writing out of their particular position in the North American context African American thinkers have contributed significantly to biblical studies theology church history ethics sociology of religion homiletics pastoral care and a number of other fields Frequently the work of these African American scholars is brought together in the seminary curriculum under the rubric of the black church studies class Drawing on these several disciplines the black church studies class seeks to give an account of the broad meaning of Christian faith in the African American experience Up to now however there has not been a single comprehensive textbook designed to meet the needs of students and instructors in these classes Black Church Studies An Introduction will meet that need Drawing on the work of specialists in several fields it introduces all of the core theological disciplines from an African American standpoint from African American biblical interpretation to womanist theology and and ethics to sociological understandings of the life of African American churches It will become an indispensable resource for all those preparing to serve in African American congregations or to understand African American contributions to the study of Christian faith Looks at the diverse definitions and functions of the Black Church as well as the ways in which race class religion and gender inform its evolution Provides a comprehensive view of the contributions of African American Scholarship to the current theological discussion Written by scholars with broad expertise in a number of subject areas and disciplines Will enable the reader to relate the work of African American theological scholars to the tasks of preaching teaching and leading in local congregations Will provide the reader the most comprehensive understanding of African American theological scholarship available in one volume Stacey Floyd

Theology and Doctrine

Contemporary Theology Handbook on Postconservative Theological Interpretation Ronald T. Michener, Mark A. Lampert, 2024-10-24 Postconservative theology may be said to parallel with postliberal theology at its best Orthodox biblical but open to new insights about how to interpret Scripture But the new insights must be faithful as well as fresh Postconservative theology is not the same as progressive theology which tends to lean toward indeterminant faith expressions whereas postconservative allows for particular faith commitments and expressions but understands that the constructive task of theology is never finished Authors emphasize various interpretive theological lenses used for doing theology among various postconservative theologians rather than emphasizing the philosophical background to hermeneutical theory present in other works such as past influential thinkers including Gadamer Grondin Ricoeur Heidegger etc This resource could also function as a companion to Evangelical Theological Method Five Views 2018 This emphasis of the chapters will not be on the nuts and bolts of how to interpret but rather on the theological impulses that govern various lenses Bible cultural context etc for doing theology and the way Scripture functions with respect to the practice of interpretation

Erotic Defiance Courtney Bryant, 2023 Erotic Defiance considers the sacred and transformative power of the flesh investigating the ethical and theological dimensions of the erotic experiences of Black women and performances of Black womanhood Bryant approaches the erotic as a divine energy that manifests love through the flesh and makes healing resistance and self making possible The Bloomsbury Handbook of Religion, Gender and Sexuality Sonya Sharma, Dawn Llewellyn, Sian Hawthorne, 2024-06-13 Bringing together disciplines across the arts humanities and social sciences this Handbook presents novel and lively examinations of the dynamic ways religion gender and sexuality operate Applying feminist intersectional and reflexive approaches the volume aims to loosen imperialist and exclusionary figurations that have underwritten and tethered religion gender and sexuality together While holding onto the field of inquiry the Handbook offers contributions that interrogate and untie it from the terms and conditions that have formed it The volume is organized into thematic sections Forces and Futures Activisms and Labors Agencies and Practices Relationships and Institutions Texts and Objects Chapters range across religious geographical historical political and social contexts and feature an array of case studies experiences and topics that exemplify the reflexive intention of the volume including explorations of race whiteness colonialism and the institutional intolerance of minority groups Contributors also advance new areas of research in religion including artificial intelligence farming migrant mothering child sexual abuse mediatization national security legal frameworks addiction and recovery decolonial hermeneutics creative arts sport sexual practices and academic friendship This is an essential contribution to the fields of religious studies and gender and sexuality studies

Racism and Resistance Timothy Joseph Golden, 2022-11-01 African American legal theorist Derrick Bell argued that American anti Black

racism is permanent but that we are nevertheless morally obligated to resist it Bell an extraordinary legal scholar activist and public intellectual whose academic and political work included his employment as a young attorney with the NAACP and his pivotal role in the founding of Critical Race Theory in the 1970s work he pursued until he died in 2011 termed this thesis racial realism Racism and Resistance is a collection of essays that present a multidisciplinary study of Bell s thesis Scholars in philosophy law theology and rhetoric employ various methods to present original interpretations of Bell s racial realism including critical reflections on racial realism s relationship to theories of adjudication in jurisprudence its use of fiction in relation to law literature and politics its under examined relationship to theology its application in interpersonal relationships and its place in the overall evolution of Bell s thought Racism and Resistance thus presents novel interpretations of Bell s racial realism and enhances the literature on Critical Race Theory accordingly

Women of Color and Social Media Multitasking Sonja M. Brown Givens, Keisha Edwards Tassie, 2015-11-11 Women of Color and Social Media Multitasking Blogs Timelines Feeds and Community explores and critically analyzes the motivations and uses of social media by women of color This edited collection seeks to determine how and why women of color make strategic use of social media as a social professional personal and political tool for navigating the world The contributors uniquely address the motivations and pathways for establishing virtual communities by and for women of color Women of Color and Social Media Multitasking contributes to dialogues concerning gender race class sexuality politics and uses of social media

Unraveling and Reweaving Sacred Canon in Africana Womanhood Rose Mary Amenga-Etego, Rosetta E. Ross, 2015-12-15 In this collection continental and diasporan African women interrogate the concept sacred text and analyze ways oral and written religious texts intersect with violence against African descended women and girls While the sanctioned idea of a sacred text is written literature this project interrupts that conception by drawing attention to speech and other embodied practices that have sacral authority within the social imaginary As a volume focused on religion and violence essays in this collection analyze religions authorization of violence against women and girls contest the legitimacy of some religious texts and affirm other writing especially memoir as redemptive Unraveling and Reweaving Sacred Canon in Africana Womanhood arises from three years of conversation of continental and diasporan women most recently continued in the July 6 10 2014 Consultation of African and African Diasporan Women in Religion and Theology and privileges experiences and contexts of continental and diasporan African women and girls Interlocutors include African traditionalists Christian Protestants and Catholics Muslims and women embodying hybrid practices of these and other traditions

Encyclopedia of Identity Ronald L. Jackson II, 2010-06-29 The two volumes of this encyclopedia seek to explore myriad ways in which we define ourselves in our daily lives Comprising 300 entries the Encyclopedia of Identity offers readers an opportunity to understand identity as a socially constructed phenomenon a dynamic process both public and private shaped by past experiences and present circumstances and evolving over time Offering a broad comprehensive overview of the definitions politics manifestations concepts and ideas

Deeper Shades of Purple Stacey M. Floyd-Thomas, 2006-08-01 A collection of leading voices on the study of Black women in religious life Womanist approaches to the study of religion and society have contributed much to our understanding of Black religious life activism and women's liberation Deeper Shades of Purple explores the achievements of this movement over the past two decades and evaluates some of the leading voices and different perspectives within this burgeoning field Deeper Shades of Purple brings together a who's who of scholars in the study of Black women and religion who view their scholarship through a womanist critical lens The contributors revisit Alice Walker's definition of womanism for its viability for the approaches to discourses in religion of Black women scholars Whereas Walker has defined what it means to be womanist these contributors define what it means to practice womanism and illuminate how womanism has been used as a vantage point for the theoretical orientations and methodological approaches of Black women scholar activists Contributors Karen Baker Fletcher Katie G Cannon M Shawn Copeland Kelly Brown Douglas Carol B Duncan Stacey M Floyd Thomas Rachel Elizabeth Harding Rosemarie Freeney Harding Melanie L Harris Diana L Hayes Dwight N Hopkins Ada Mar a Isasi D az Cheryl A Kirk Duggan Kwok Pui Lan Daisy L Machado Debra Majeed Anthony B Pinn Rosetta Ross Letty M Russell Shani Settles Dianne M Stewart Raedora Stewart Dodd Emilie M Townes Traci C West and Nancy Lynne Westfield

Moved by the Spirit Emilie M. Townes, Christophe D. Ringer, Teresa L. Smallwood, 2023-03-27 Moved by the Spirit Religion and the Movement for Black Lives explores the religious and theological significance of the Black Lives Matter Movement The volume argues for engaging the complex ways religion is present in the movement as well as how the movement is changing religion The contributors analyze this relationship from a variety of religious and theological perspectives on public protest the meaning of freedom Black humanity the arts and practices of Black religious culture and the transformation of Black religious communities The volume reveals that the Movement for Black Lives is changing our understanding of religious experience and communities Liberation Theologies in the United States Stacey M Floyd-Thomas, Anthony B Pinn, 2010-03-01 Liberation Theologies in the United States reveals how the critical use of religion can be utilized to challenge and combat oppression in America In the nascent United States religion often functioned as a justifier of oppression Yet while religious discourse buttressed such oppressive activities as slavery and the destruction of native populations oppressed communities have also made use of religion to critique and challenge this abuse As Liberation Theologies in the United States demonstrates this critical use of religion has often taken the form of liberation theologies

which use primarily Christian principles to address questions of social justice including racism poverty and other types of oppression Stacey M Floyd Thomas and Anthony B Pinn have brought together a stellar group of liberation theology scholars to provide a synthetic introduction to the historical development context theory and goals of a range of U S born liberation theologies Black Theology Anthony B Pinn Womanist Theology Stacey M Floyd Thomas Latina Theology Nancy Pineda Madrid Hispanic Latino a Theology Benjam n Valent n Asian American Theology Andrew Sung Park Asian American Feminist Theology Grace Ji Sun Kim Native Feminist Theology Andrea Smith Native American Theology George Tink Tinker Gay and Lesbian Theology Robert E Shore Goss Feminist Theology Mary McClintock Fulkerson An extraordinary resource for understanding the vitality of liberation theologies and their relation to social transformation in the changing U S context Written in an accessible and engaged way this powerful and informative text will inspire beginners and scholars alike I highly recommend it Kwok Pui lan author of Postcolonial Imagination and Feminist Theology A delight to read and an exemplary account of the genre of liberation theologies Religious Studies Review *Teaching Women's Studies in Conservative Contexts* Cantice Greene,2016-01-13 Women s Studies is a field that inspires strong reactions both positive and negative inside and outside of the classroom The field partly due to its activist origins is often associated with liberal ideology and is therefore chided by students and others who identify as conservative The goal of this book is to introduce conservative perspectives into the issues of gender sexuality race and power that are topics of teaching and discussion in women s studies courses The book also aims to provide examples of pathways by which conservative students and scholars can engage the field of women s studies not as opponents but as contributors Contributors including administrators activists scholar teachers artists and ministers come together in this collection to engage in writing and response and to add their approaches to teaching and administering women s studies on their campuses Unassimilable Feminisms L. Gillman,2010-07-19 In an important new book Laura Gillman argues that in this post identity politics era identities can still yield reliable knowledge Focusing on womanist and mestiza theoretical writings literary texts and popular cultural representations Gillman advances a comparative theoretical model of identity and consciousness that foregrounds a naturalist realist account She demonstrates that reason and knowledge originate from diverse human practices enacted in the social and natural world and can be explained and justified entirely in terms of them

This book delves into Mining The Motherlode Methods In Womanist Ethics. Mining The Motherlode Methods In Womanist Ethics is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Mining The Motherlode Methods In Womanist Ethics, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Mining The Motherlode Methods In Womanist Ethics
 - Chapter 2: Essential Elements of Mining The Motherlode Methods In Womanist Ethics
 - Chapter 3: Mining The Motherlode Methods In Womanist Ethics in Everyday Life
 - Chapter 4: Mining The Motherlode Methods In Womanist Ethics in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Mining The Motherlode Methods In Womanist Ethics. This chapter will explore what Mining The Motherlode Methods In Womanist Ethics is, why Mining The Motherlode Methods In Womanist Ethics is vital, and how to effectively learn about Mining The Motherlode Methods In Womanist Ethics.
 3. In chapter 2, this book will delve into the foundational concepts of Mining The Motherlode Methods In Womanist Ethics. The second chapter will elucidate the essential principles that need to be understood to grasp Mining The Motherlode Methods In Womanist Ethics in its entirety.
 4. In chapter 3, the author will examine the practical applications of Mining The Motherlode Methods In Womanist Ethics in daily life. The third chapter will showcase real-world examples of how Mining The Motherlode Methods In Womanist Ethics can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Mining The Motherlode Methods In Womanist Ethics in specific contexts. The fourth chapter will explore how Mining The Motherlode Methods In Womanist Ethics is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Mining The Motherlode Methods In Womanist Ethics. The final chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Mining The Motherlode Methods In Womanist Ethics.
