

MINUTES OF PRE-TENDER MEETING No.1- LOT A (EIB VI Program)

Date: 30th June 2008
Location: RNCMNR Offices, Bucharest.
Present: A list of attendees is attached to this Minute of Meeting.

Item	Subject
	<u>Purpose of Meeting</u>
1	The pre-tender meeting was held in accordance with Clause 19 of the Instructions to Tenderers to clarify issues and to answer questions on matters arising at this stage. The representatives of all prequalified tenderers were invited to attend.
2	The Employer reminded the representatives that the scope of the meeting was limited to the Lot A (Contracts 6R1, 6R2 and 6R3). Separate pre-tender meetings will be held for Lot B and the other tenders under the Roads Rehabilitation VI Project.
	<u>Briefing</u>
3	The representatives of the tenderers were briefed on some of the key elements of the Tender Documents. It was noted that the three contracts being tendered in Lot A are design-and-build contracts with the Works executed for lump-sums. Each contract will require a separate tender and each contract will be evaluated independently from the other Lot A contracts.
4	The representatives were advised that the contracts move significant responsibilities and risks to the Contractor. Particular consideration should be given when preparing tenders to the obligations for design, obtaining approvals, utilities and land acquisition.
6	Guidance was given to the representatives on the completion of a responsive tender. The representatives declined any advice on the use and completion of the Forms included in Volume 1: Instruction to tenderers. Tenderers were advised that their Technical Proposal (Forms 5, 6, & 7) should contain details of how they propose to design and construct the Works. Although tenderers should not submit completed designs at tender stage, the Technical Proposal should include explanations of the activities,
