

A person is captured mid-jump, leaping over a dark, jagged rock into the ocean. The scene is set at sunset or sunrise, with a warm, orange and yellow sky and a calm sea. The person's arms are outstretched, and they appear to be in a state of joy or freedom. The overall mood is one of hope and divine intervention.

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this

bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Artisse Brian Stewart, This is the novelization of the teen movie by the same title Artisse The story centers on a young girl who suffers a head trauma and a near death experience that takes her to Heaven for months While in Heaven she encounters her deceased father and is instructed to return to earth with a message for her mother She learns that the colors in Heaven are nothing like she experiences on earth and that she will have to make adjustments to her painting style *The Publishers Weekly* ,2003 *American Book Publishing Record* ,2003 **America** ,1920 The Jesuit review of faith and culture Nov 13 2017 Herald and Presbyter ,1904 *Straight Answers to 35 Tough Questions* Gordon Kainer,2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin in the wind but we ve learned that really important answers don t come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God s Word That s the reason God s first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It s been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That s one reason we re not only to confront knotty questions but willingly accept God s unraveling answers
