Miracles: Take the FreeWay Jo Williams, 2013-04-05 God created a perfect world and pronounced it good Where has that world gone The standard answer is that we have sinned fallen short of the glory of God and royally screwed it up Yet is man capable of putting asunder what God wills and creates perfect Some will find the hypothesis in Miracles Take the FreeWay blasphemous Some will find it a source of unprecedented hope No one who reads it will ever see the world again in quite the same way Our current rationale and approach to finding peace on earth sanctimonious judgment political prowess and military might not only are not working they re disastrous Take the FreeWay is about finding a better way It s about rising above the battleground we call Earth and opening our minds to a radically different view Based on A Course in Miracles ACIM it will challenge the reader to re evaluate everything he thinks he knows about the world and its Creator Although the Bible paints a picture of an erratic vengeful God Jesus says in ACIM our Creator is neither unpredictable nor capable of violence God is completely straightforward and unerringly consistent and loving He has not abandoned us We have abandoned God This is a book about reclaiming the happiness and dominion over our lives that is our divine inheritance Like the Prodigal we have squandered that inheritance Like the father in the parable Our Father in Heaven patiently awaits our return to joy and sanity
