**During the Test** When you arrive at the test center you will be assigned a seat in the examination room by a member of the test site staff You will not receive a break during the examination If you need to use the rest room or if you become ill you may leave the examination room but you must first give the test supervisor your identification documents before you leave the room If you do leave the room you will not be allowed to make up any lost time Once you enter the test site follow all the instructions given by the test supervisor If you do not you risk being dismissed from the examination or having your ELPT scores voided they will not be scored Your answer sheet will not be scored and your test payment will not be refunded if you try to remove a test booklet an answer sheet or any tape from the test center All the test materials are the property of Educational Testing Service and legal action may be taken against you if you try to take home test materials or copy them in any way There are also regulations that if not followed will void your answer sheet and then your test payment will not be refunded for any reason Check your ELPT handbook for a list of these regulations

When all of the test materials have been passed out the test instructor will give you directions for filling out one side of your answer sheet You must fill out this sheet carefully since this information will be printed on your score report Fill out your name exactly as it appears on your identification documents unless otherwise instructed Remember to write in the margins and spaces of your test booklet leaving notes for yourself to return to a question or just to cross out incorrect answers Make sure you do not write on your answer sheet except to fill in the oval corresponding to the answer you chose You will be marking your answers on the side two of your answer sheet Each numbered row will contain four ovals corresponding to each answer choice for that question Fill in the oval which corresponds to your answer darkly completely and in a neat manner You can change your answer but remember to completely erase your old answer Only one answer should be marked This is very important as your answer sheet will be scored by machine and stray lines or unnecessary marks may cause the machine to score your answers incorrectly Only work on the section of the test which the test instructor has instructed you to work on You should begin only when instructed to do so and stop immediately when instructed to end

Do not turn to the next section of the test until you are told to do so When all of the sections have been completed you should remain seated until all of the test materials have been collected You will have to wait for your test results to arrive in the mail which usually takes about one month
