cultural studies Issues in Global Business SAGE Publishing,2021-03-03 In 2020 COVID 19 starkly demonstrated the global interconnectedness of business as it disrupted supply chains and manufacturing operations broadly shuttered retail stores and led to restrictions on movement and travel around the world Other events in 2019 also showcased the undeniable globalization of business be it from the un expected ramifications of Brexit to the impacts of data breaches across various industries Riots in Hong Kong over an extradition bill also sparked huge debate and controversy and the U S China trade war also caused concern All of these events may have largely and immediately impacted one region yet effects reverberate across larger swathes of the globe ultimately affecting vast areas industries and sectors across the international landscape Issues in Global Business explores all of these and more across a wide range of topics including the on demand economy global manufacturing Bitcoin data security and many more Coupled with a comprehensive overview of the business landscape around the world by Dr Mamoun Benmamoun an assistant professor at the Boeing Institute of International Business at Saint Louis University this book provides students with the essential information they need to assess business practices through an international lens **Nothing But Net: 10 Timeless Stock-Picking Lessons from One of Wall Street's Top Tech Analysts** Mark Mahaney,2021-11-09 Find the winners avoid the losers and build a solid Tech portfolio for the long run with proven methods from legendary analyst Mark Mahaney The Tech industry is the stock market s hottest most profitable sector but it can be a roller coaster ride Companies with great ideas can end up going nowhere and some that dominate today will be sold at fire sale prices in five years Sure things can become sore things very rapidly Nothing But Net provides the knowledge and insights you need to understand what s really hot to know what s not and to outperform other investors consistently and decisively Famous for his smart savvy and unique approach to Tech stock investing Mark Mahaney provides his 10 proven rules for succeeding as a long term Tech stock investor explaining everything he s learned during almost 25 years of analyzing internet stocks including Why revenue growth and customer metrics not earnings are what matter most to Tech investors How to invest not trade in the great growth opportunities that lie ahead How to determine when high valuations are a warning sign and when they signal an opportunity I ve watched the rise of some of the leading companies of today Facebook Amazon Netflix Google and the fall of some of the leading companies of yesterday Yahoo eBay and AOL Mahaney writes F iguring out which companies really are going to be dominant franchises is an extremely hard thing to do But those who accomplished this were arguably able to generate some of the best portfolio returns in the stock market over the past generation Nothing But Net provides powerful advice for the next two decades lessons you can start applying today and use for years to come *Netflix and Streaming Video* Amanda D. Lotz,2022-07-22 Netflix and Streaming Video is the first book to provide a comprehensive foundation for understanding the business of subscriber funded streaming video and its implications for the role of these services in culture Drawing on Lotz s two decades of research it highlights the similarities and differences among streaming video services Netflix Amazon and video distribution technologies broadcast

satellite internet Making a number of provocative and thought provoking arguments the book first reveals how the reliance on subscriber payment and video on demand produces different norms and strategies compared to previous video businesses It then investigates Netflix and how its particular blend of characteristics distinguishes it from other subscriber funded video on demand services The author expertly shows that by understanding the underlying economic and technological dynamics of these services and their differences it is possible to better assess the actions taken by the companies and what the future of video may encompass The book is a must read for students and scholars of Media and Communications Studies as well as those wishing to learn more about Netflix and streaming video services

Reed Hastings Streaming Emma Wilson,AI,2025-01-17 Reed Hastings Streaming chronicles the remarkable transformation of Netflix from a DVD by mail service into a global entertainment powerhouse that revolutionized how people consume media worldwide This compelling narrative explores how Hastings leveraging his unique background in mathematics and software engineering combined data driven leadership with technological innovation to disrupt the traditional entertainment landscape dominated by companies like Blockbuster The book meticulously traces Netflix s evolution through three critical phases its founding as a DVD rental service the strategic pivot to streaming technology in 2007 and its bold transformation into a content creation studio Through exclusive interviews with Netflix executives and

internal company data readers gain unprecedented insight into the decision making processes that shaped the company's trajectory. Particularly fascinating is how Netflix's pioneering use of recommendation algorithms and early adoption of cloud computing set new standards for the industry. At its core, this work illuminates how Hastings' unconventional management philosophy created a culture of innovation that consistently anticipated market changes. The chronological progression offers valuable lessons in digital transformation, organizational adaptation, and strategic risk taking. Whether examining Netflix's international expansion or its venture into original content production, the book provides actionable insights for business professionals and entrepreneurs while maintaining a balanced perspective on both successes and challenges in the evolving landscape of global entertainment.

About Entrepreneurship Bjorn Bjerke, 2013-01-01 This engaging textbook is a modern perspective on all that is essential to know about entrepreneurship. It will prove required reading for both lecturers and undergraduate and Masters students on entrepreneurship upper level courses. Bjørn Bjerke covers all kinds of aspects of entrepreneurship including the history of the subject, our modern entrepreneurial society, local community development, entrepreneurship in different national cultures, and women as entrepreneurs. He addresses some theoretical developments and considers a narrow and a broad view of entrepreneurship: rational and natural entrepreneurial start-ups and entrepreneurship in space and place. At the end of every chapter, there are numerous 'Think' questions and a practice case which may be useful when studying the subject alone or when teaching it. There are online resources for teachers to support the text.

Artists, Obsessives and Chicago Originals Christopher Borrelli, 2013-04-09 Reporter Christopher Borrelli has a fascination with the quirky and the obsessive and a talent for finding unique angles and stories when it comes to artists, entertainers, and everyday people. This book collects his in-depth profiles of celebrities as well as profiles and commentary on everyday people he affectionately calls 'obsessives'. The kind of folk who fascinate Borrelli can be workers at a local prop shop, carhops at the fast food chain Sonic, or a video collective that has over 4,000 VHS copies of Jerry Maguire. But regardless of the quirks of a featured subject, Borrelli gives an illustrative and illuminating look into their true character. From celebrities we all know to cult heroes and veritable unknowns, filled with entertaining celebrity Q&A's, unique views on cultural phenomena, and insightful takes on all things Chicago, Borrelli is one of the Chicago Tribune's most enjoyable and humorous writers. His feature pieces are sure to offer inspiring perspectives on art, entertainment, film, found life, celebrities, and Chicago originals. This broad collection of Borrelli's best articles and commentary will appeal to his fans, Chicagoans, and consumers of pop culture across the country.
