The Mitten Shocker Act III Answer Key

Directions: Answer each question below in full and complete sentences.

1. What is Annie's central focus as Act III begins?

Annie's central focus is to teach Helen that everything and everyone here is new, and that Helen's fingers can feel for her huge dangers.

2. What does Kate mean when she tells her father to "hold up to her world?"

Kate means her father to experience himself for who he is and what he feels as he instead of always looking for his father's approval.

3. Similar to what both James and Captain Keller have said in previous acts, what does Mrs. Keller tell Annie about Helen's spelling?

Mrs. Keller tells Annie that "It's still a finger game [to Helen], so there's no meaning."

4. Why do Annie and Kate spell to each other so frequently rather than communicate orally?

By spelling to each other frequently, Kate will more quickly learn how to use sign language. That way, if Helen realizes that everything here is new, Kate will be ready to communicate with her daughter.

5. What progress has Annie made with Helen during their two weeks at the garden house?

Helen now knows her father's name; she has learned to knit and string beads; she performs and up exercises each morning; she climbs trees and feeds eggs with Annie; and she has consistently spell with each sister.

6. Discuss the conversation that Annie has with Captain Keller when he reminds her that her two weeks with Helen "are up today."

Annie says that their time works "not just up and down" and that "an agreement is an agreement." Annie wants more time with Helen, but Captain Keller will not allow it, so he asks Annie's own words against her, saying, "An agreement is an agreement." While Helen has come to sign-ify, Annie is primarily glad of one thing: Helen that words have meaning here and that is the best, so every additional minute counts to Annie.
