once you are awakened by your Twin Flame and the roller coaster of emotions that can feel overwhelming at times as you learn to balance the irrational and logic parts of your mind in order for the heart to catch up as love always resides in the heart The Twin Flame Connection is a soul heart awakening and one that can never be lost on all dimensions despite what lessons we are meant to learn in the physical we are always connected as one through the heart and soul with our Twin Flame

Heal Your Inner Child Tina Ashok Dhingra,2024-07-02 What happens to the beautiful beginning when we were all born as pure souls The soul has seven innate qualities inherited from the supreme soul God Purity Peace Love Joy Bliss Powers and Knowledge Do you know why people change the true nature of the soul How do some pure souls become murderers drug addicts physical and sexual offenders cruel dictators morally degenerate politicians etc How do they become the walking wounded and harm others A soul which can do wonders and more incredible things but is now converted into anger greed jealousy sloth and vengeance We see all around us the sad fearful doubting anxious and depressed filled with unutterable longings Indeed this loss of our innate human potential is the greatest tragedy We can even do something about preventing this from happening to our children in the future The more we learn about how we lost our true selves and go deep into our childhood and find out the stories which made us like this is the first step towards a healing journey The more we understand the patterns and take responsibility to work on our emotional wounds the more we can find ways to return to our true nature
