Mistress Branican Jules Verne:

Mistress Branican Jules Verne, 1884 A book from the pen of Jules Verne is its own best advertisement *Mistress Branican* shows no falling off in the author's imaginative faculties or vivacity This is the first of his books in which a woman has been made the central figure Perhaps the flying trips around the world made by Miss Bisland and Nelly Bly gave him the idea At any rate it is a good one *Mistress Branican* however traveled with a caravan and not with a small hand bag The adventures of this lady on her travels are thrilling and humorous at the same time and the whole is told with that air of sincerity which is peculiar to the romances of Jules Verne
