public relations PR needs Credible CSR is critical to business legitimacy and sustainability Aware of the public s increasing scrutiny companies are increasingly ramping up their focus on social responsibility whether by championing women s rights protecting the environment or attempting to obliterate poverty on local national or global levels Simultaneously more firms face accusations of greenwashing backlash due to consumer mistrust in the intentions behind their CSR practices While numerous works have highlighted this dilemma and how companies fall short in their prosocial goals or financial objectives or both there is a lack of understanding of the ingredients and crucial processes required for the successful implementation of CSR in entrepreneurial enterprises This book serves to fill that gap

*Performance of Amazon during the Corona-Crisis and Dot-com Bubble. Corporate Strategy, Liquidity, Revenue and Profit* Jagnoor Bhalla, 2021-04-20 Seminar paper from the year 2020 in the subject Business economics Investment and Finance grade 1 3 University of Applied Sciences Augsburg language English abstract This paper will examine the corporate success of Amazon com Inc in times of the dot com bubble compared to its performance in times of the corona crisis The comparison of the company during these financial crises will include corporate strategy the company s liquidity revenue and profit It will also analyse stock prices and the performance on the stock market as well as the number of employees and their compensation as indicators for its financial situation and the company s success Looking at the global economy it is clear to see that financial crises are occurring from time to time challenging companies in many ways to innovate and find solutions and get through financially instable times with minimal losses There are also different types of crises which are weakening especially certain economic sectors The internet crisis and the corona crisis both had an immense impact on the financial market and the business world Considering these two crises which are very different or almost contradictory to each other it seems to be interesting to compare the performance of an internet company which began as one of these dot com startups during the internet crisis but is still innovative and successful to this day even during the corona crisis
