Instagram Kristen Rajczak Nelson, 2014-12-15 In an increasingly app focused world you would be hard pressed to find a user who hasn't encountered the massively popular photo sharing app Instagram With over 150 million active monthly users Instagram's wild success is well known but unlike other stories of tech triumph few know the details behind the achievements of Instagram cofounders Kevin Systrom and Mike Krieger With their experience from other companies including Google and Microsoft this

pair gave new life to amateur photography the world over Read how two young driven techies became the CEOs of the most popular photography app in the world today **On Display** John D. Boy,Justus Uitermark,2023-12-14 Two billion people around the world use Instagram but so far social scientists have done little research on the platform Despite Instagram s reputation for shallowness the ongoing self presentation it demands confronts users with profound dilemmas Who are we What do we want to show of ourselves What do we aspire to be On Display is a book about how people remake their worlds through social media John D Boy and Justus Uitermark provide an encompassing account of how a platform that is unfailingly polished and ruthlessly judgmental shapes us and our environments They examine how personalities relations social movements urban subcultures and city streets change as they are represented on Instagram Interviews and ethnographic vignettes render an intimate account of the desires and anxieties that animate the platform Just as importantly Boy and Uitermark reveal how Instagram is implicated in social inequalities While previous accounts have argued that social media promote polarization On Display shows that this is not the case for Instagram where users belong to large and diverse networks compelling them to take many often contradictory expectations into account This means users shy away from producing statements or images that may cause offense as a way to preserve their public image and their social connections Drawing on sociological theory long term qualitative inquiry in Amsterdam and computational analyses Boy and Uitermark argue that grasping the power of Instagram and other social media platforms requires seeing them not as digital networks of communication and sharing but as a stage for the expression and affirmation of social status **Instagram®** Rosa Waters,2014-11-17 Instagram has had huge success in just a short time With a popular website and smartphone app Instagram has become one of the best ways to share pictures with friends Instagram however was once just the idea of two men Kevin Systrom and Mike Krieger Together these two men have taken Instagram to new heights and made it one of the most popular tech companies Discover their story Find out how Instagram grew to what it is today *No Filter* Sarah Frier,2020-04-14 Winner of the 2020 Financial Times and McKinsey Business Book of the Year Award Named Best Book of the Year by Fortune The Financial Times The Economist Inc Magazine and NPR In this sequel to *The Social Network* The New York Times award winning reporter Sarah Frier reveals the never before told story of how Instagram became the most culturally defining app of the decade The most enrapturing book about Silicon Valley drama since *Hatching Twitter* Fortune *No Filter* pairs phenomenal in depth reporting with explosive storytelling that gets to the heart of how Instagram has shaped our lives whether you use the app or not The New York Times In 2010 Kevin Systrom and Mike Krieger released a photo sharing app called Instagram with one simple but irresistible feature it would make anything you captured look more beautiful The cofounders cultivated a community of photographers and artisans around the app and it quickly went mainstream In less than two years it caught Facebook s attention Mark Zuckerberg bought the company for a historic 1 billion when Instagram had only thirteen employees That might have been the end of a classic success story But the

cofounders stayed on trying to maintain Instagram's beauty brand and cachet considering their app a separate company within the social networking giant. They urged their employees to make changes only when necessary, resisting Facebook's grow at all costs philosophy in favor of a strategy that highlighted creativity and celebrity. Just as Instagram was about to reach a billion users, Facebook's CEO Mark Zuckerberg, once supportive of the founders' autonomy, began to feel threatened by Instagram's success. Frier draws on unprecedented access from the founders of Instagram as well as employees, executives, and competitors: Anna Wintour of Vogue, Kris Jenner of the Kardashian Jenner empire, and a plethora of influencers worldwide to show how Instagram has fundamentally changed the way we show, eat, travel, and communicate, all while fighting to preserve the values which contributed to the company's success. Deeply reported and beautifully written, Nick Bilton's *Vanity Fair No Filter* examines how Instagram's dominance acts as a lens into our society today, highlighting our fraught relationship with technology, our desire for perfection, and the battle within tech for its most valuable commodity: our attention.
