The Way of Grace Miranda Macpherson, 2018-11-01

Perhaps you hunger to finally end the struggle of living from a consciousness of fear and separation. Perhaps you yearn for a saner, wiser, more spiritually elegant way to move through our world. Perhaps you are weary of the dizzying pace of a culture that drives us ever further from our true nature. There is another way, a way of Grace. This book is a hand of friendship to help you come to abide in the living presence that you are and always were. Miranda Macpherson, *The Way of Grace*. Many of us struggle to truly live what we believe spiritually. What if closing that gap wasn't about trying harder but something quite the opposite? *The Way of Grace* is a guide to spiritual surrender and nondual realization based on the practice of ego relaxation, a holistic feminine approach to welcoming all of your experience and responding with compassion and wisdom in a world in need of your unique gifts. Grace has four primary dimensions or ways that it comes alive, explains Macpherson. Ego relaxation gives us access to these dimensions so we can stop trying to beat ourselves into spiritual shape and yield instead to an unshakable presence within. In *The Way of Grace* she shares reflections, inquiries and meditation practices for each phase of your journey. Relaxing into the Ground of Grace, move beyond identification with your personality and return to the felt sense of your connection to Grace as your natural and ever-present foundation. Receiving the Blessings of Grace, move beyond the spiritual poverty of lack and rediscover the gift of life in every moment through the portals of trust, humility, patience and joy. The Transforming Power of Grace, move beyond that which limits your full freedom through forgiveness, compassion, unwinding ego identity and abiding in your boundless nature. Living the Embodiment of Grace, continue to surrender anything that binds you into self-centered patterns and behaviors and

become a Grace delivery device the presence of love here on Earth Grace will always deepen season and bring out the very best in you writes Macpherson You are its embodiment always and forever The Way of Grace will be your steady companion to live as the fountain we were made to be letting the living waters flow to quench our parched and tired Earth Foreword by Russ Hudson
