Finding a Likeness Nicholson Baker, 2024-04-02 Named a Best Book of 2024 by Slate and a Most Anticipated Book of 2024 by Literary Hub From the acclaimed and bestselling writer Nicholson Baker a deeply personal account of his journey learning how to paint for the first time and a meditation on the power of art in times of crisis Nicholson Baker wanted to learn how to paint In 2019 after years of researching and writing about secret and often horrible government programs for his book *Baseless* My Search for Secrets in the Ruins of the Freedom of Information

Act he was wiped out Having been steeped for so long in the history of war violence and conspiracy the world had lost some of its brightness Photography had scratched a creative itch for years but now Baker was desperate to squeeze more out of what he saw he wanted to live slowly through the snatches of life he was recording in photos Maybe he thought he could learn to paint The idea consumed him but he was nagged by an even more debilitating doubt What if he failed Finding a Likeness is Baker s record of the years he worked to improve his artistic skills beginning with his first humble attempts to set paintbrush to paper Driven by a natural curiosity and a strong desire to paint faces clouds and landscapes that actually resemble faces clouds and landscapes he attends classes from local artists watches YouTube tutorials and seeks out master painters from the past and present in the hopes of uncovering their secrets In his inimitable voice Baker recounts the highs and lows of the creative process reflects on memories of growing up as the son of two painters and learns what it means to really see Filled with Baker s own art as well as the work of artists from around the world Finding a Likeness is a tender and deeply felt testimony to taking a step back and going back to basics Baker improves dramatically in his craft but as he considers what it means to try fail and try again he discovers far more than what it takes to paint a cloud rather he shows us how to bear witness to the world to the good and the bad and to do it all justice with paper and ink [macOS Mojave: The Missing Manual](#) David Pogue,2018-12-20 Answers found here Apple s latest Mac software macOS Mojave is a glorious boxcar full of new features and refinements What s still not included though is a single page of printed instructions Fortunately David Pogue is back delivering the expertise and humor that have made this the 1 bestselling Mac book for 18 years straight The important stuff you need to know Big ticket changes The stunning new Dark Mode Self tidying desktop stacks FaceTime video calls with up to 32 people New screen recording tools If Apple has it this book covers it Apps This book also demystifies the 50 programs that come with the Mac including the four new ones in Mojave News Stocks Home and Voice Memos Shortcuts This must be the tippiest trickiest Mac book ever written Undocumented surprises await on every page Power users Security networking remote access file sharing with Windows this one witty expert guide makes it all crystal clear macOS Mojave gives the Mac more polish power and pep and in your hands you hold the ultimate guide to unlocking its potential [Update Culture and the Afterlife of Digital Writing](#) John R Gallagher,2020-02-03 Update Culture and the Afterlife of Digital Writing explores neglected circulatory writing processes to better understand why and how digital writers compose revise and deliver arguments that undergo sometimes constant revision John R Gallagher also looks at how digital writers respond to comments develop a brand and evolve their arguments all post publication With the advent of easy to use websites ordinary people have become internet writers disseminating their texts to large audiences Social media sites enable writers audiences to communicate back to the them instantly and often Even professional writers work within interfaces that place comments adjacent to their text privileging the audience s voice Thus writers face the prospect of attending to their writing after they deliver their initial arguments Update Culture and the Afterlife of Digital Writing describes the conditions
