Returning Wars' Wounded, Injured, and Ill Nathan D. Ainspan Ph.D., Walter E. Penk, 2008-09-30 Thousands of American service members are returning from their tours of duty with physical and or psychological disabilities Many if not most of these service members will need at least some assistance to adapt to their disabilities and learn how to reintegrate back into civilian life Also impacted will be the spouse friends employers family members counselors and community members of each veteran with a disability The veterans may not be aware of the ways in which their disabilities are impacting them nor knowledgeable about the resources available to help them cope In addition many such individuals feel isolated and reluctant to acknowledge their difficulties or ask for assistance The volume compiles and summarizes the information disabled veterans and those with whom they interact will be interested in knowing and using It describes how disabilities can impact an individual physically psychologically and spiritually It also provides a context of these disabilities to reassure the readers that they are not alone in the thoughts feelings and pain and that others have experienced the same problems and found solutions The work provides guidance on different forms of treatment that may help the veteran and includes a list of contact information for local VA centers peer to peer counseling services and other programs services and individuals available frequently for free for veterans and their families Brief biographies of disabled veterans and case studies of the ways they reintegrated back into civilian society provide support and perspective In addition to aiding veterans the book will serve as a useful reference source for librarians and other information providers

The return of the housewife Emma Casey, 2025-04-08 An illuminating look at the world of cleanfluencers that asks why the burden of housework still falls on women Housework is good for you Housework sparks joy Housework is beautiful Housework is glamorous Housework is key to a happy family Housework shows that you care Housework is women s work Social media is flooded with images of the perfect housewife TikTok and Instagram cleanfluencers produce endless photos and videos of women cleaning tidying and putting things right Figures such as Marie Kondo and Mrs Hinch have placed housework with its promise of a life of love and contentment at the centre of self care and positive thinking And yet housework remains one of the world s most unequal institutions Women especially poorer women and women of colour do most low paid and unpaid domestic labour In The return of the housewife Emma Casey asks why these inequalities matter and why they persist after a century of dramatic advances in women s rights She offers a powerful call to challenge the prevailing myths around housework and the naturally competent woman homemaker
