The Unbecoming of Kaelen Shaw Julian F. Knightbridge,2025-08-09 For seventeen year old Kaelen Shaw the world is a system and grief is a catastrophic error Raised on a diet of logic and protocol by his military officer parents his life has been a series of predictable deployments and solvable problems But when a sudden tragedy orphans him and leaves him as the sole guardian of his two younger sisters Kaelen s meticulously programmed world crashes To protect his small broken unit from a well meaning but overbearing uncle Kaelen builds a fortress of rules running their lives with the cold efficiency of a commander in a war zone The system keeps them safe but it is a cage one that isolates his sisters and exiles him from his own heart He can engineer a therapeutic environment for his neurodivergent sister and optimize his other sister s school schedule but he has no protocol for their sadness or for his own Forced to navigate the illogical terrain of the human heart Kaelen must confront the limits of his programming With a unique narrative voice reminiscent of Mark Haddon s *The Curious Incident of the Dog in the Night Time* and a protagonist whose brilliant mind grapples with a chaotic world like in Graeme Simsion s *The Rosie Project* *The Unbecoming of Kaelen Shaw* is a deeply moving and unforgettable story about the systems we build to protect ourselves and the courage it takes to let them fall apart
