Personalization and Digital Social Markets Tahir M. Nisar, 2025-01-09 Tahir Nisar presents a cogent compelling account

of recent developments and disruptions within the digital economy and particularly within the industrial and service sectors Through an original overarching framework rooted in the concept of personalization and its antecedents Nisar identifies radically new forms of relationships both economic and social among firms and customers These new relationships are driving major changes in commercial and industrial firms policies and practices and in turn in the entire market economy E commerce trading user generated content virtual communities co creation influencer movements FinTech and sharing economies have strengthened the hands of consumers and have encouraged developments in cognitive technologies such as AI automation which in turn create new ways of working and disruptions to traditional capital labour relations Ultimately what emerges from this study is a picture of how digital technologies unleash forces of change that are creating new forms of social and economic sharing arrangements and new forms of social organization For its empirical depth and and theoretical rigor this book is essential reading for researchers and students interested in emerging alternative forms of economics business and management and particularly those interested in the digital economy and the state and future of capitalist markets

Strategic Customer Service John Goodman,2019-02-05 Any organization can win more customers and increase sales if they learn to be more strategic with their customer service When customers complain employees respond The typical service model is riddled with holes What about people and businesses who never speak up but never come back Learn to actively reach out prevent problems and resolve issues in ways that boost loyalty Strategic Customer Service is a data packed roadmap that shows you how This invaluable resource distills decades of research on the impact of great versus mediocre service Complete guidelines and case studies explain how to Gather and analyze customer feedback Empower employees to fix problems Track your impact on revenue Generate sensational word of mouth Tap opportunities to cross sell and up sell Strategic Customer Service draws on over 30 years of research from companies such as 3M GE and Chick Fil A to teach you how to transcend a good business into a profitable word of mouth machine that transforms the bottom line Why settle for passive service Make a business case for ramping up operations and get the tools for making it pay off Transform customer service into a strategic function and reap benefits far exceeding investments
