The exam is extremely challenging and thorough test preparation is essential for success. Our study guide includes 3 practice tests available in online interactive format, 2 of these printed in the guide. Over 200 step-by-step video tutorials to help you master difficult concepts. Tips and strategies to help you get your best test performance. A complete review of all SAT test sections. SAT R is a trademark registered by the College Board which is not affiliated with and does not endorse this product. The Mometrix guide is filled with the critical information you will need in order to do well on your SAT exam: the concepts, procedures, principles, and vocabulary that the College Board expects you to have mastered before sitting for your exam. The Reading and Writing section covers Reading and Writing Overview, Craft and Structure, Information and Ideas, Standard English Conventions, Expression of Ideas. The Mathematics section covers Mathematics Test Overview, Introductory Information, Algebra, Advanced Math, Problem Solving and Data Analysis, Geometry and Trigonometry, and much more. Our guide is full of specific and detailed information that will be key to raising your score. Concepts and principles aren't simply named or described in passing but are explained in detail. The Mometrix SAT study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of SAT practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth in order to make the principles and reasoning behind it crystal clear. All 3 practice tests are available to take in online interactive format, allowing you to immediately score your test and see what you got wrong. We've also printed 2 practice tests in your guide for offline reference. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped.
