Black Friday Alex Kava, 2019-03-11 Plunge into a thrilling adventure tracking domestic terrorists in book 7 of the acclaimed Maggie O'Dell series from New York Times bestselling author Alex Kava. On the busiest shopping day of the year, a group of idealistic college students believe they're about to carry out an elaborate media stunt at the largest mall in America. They think the equipment in their backpacks will disrupt stores' computer systems, causing delays and chaos, disrupting capitalism if only for a moment. What they don't realize is that instead of jamming devices, their backpacks contain explosives. And they're about to become unwitting suicide bombers. FBI profiler Maggie O'Dell must put her own political troubles aside to work with Nick Morrelli and figure out who's behind this terrorist plot: a massacre that's all the more frightening when a tip reveals that Maggie's brother is one of the doomed protestors. The fifteenth title in the number one bestselling **CHERUB** series, Ryan is about to board a plane knowing that the next twenty-four hours will change everything. His mission is to stop the biggest terrorist attack America's ever seen. Ryan works for **CHERUB**, a secret organisation with one key advantage: even a trained terrorist won't suspect that a teenager is spying on them. For official purposes, these children do not exist. **Black Friday** Peter Aitchison, 2018-04-12 The true story of a small fishing village in 19th-century Scotland and the deadly storm that left tragedy in its wake is recounted in this gripping read. Scotsman UK. On October 14th 1881, a severe windstorm struck the southeastern coast of Scotland, devastating fishing communities throughout the region. In all, 189 fishermen were lost in a single afternoon; 129 of them hailed from the village of Eyemouth. In *Black Friday*, Scottish historian Peter Aitchison recounts the astonishing story of that storm and its tragic aftermath. Aitchison combines larger historical context with personal accounts of fishermen caught in the maelstrom and their families waiting anxiously for news. It is a story of a poor community driven to desperate measures by an onerous tithe system and a time when Eyemouth was the center of a massive smuggling ring. As a direct descendent of the community, Aitchison does more than simply spin a good yarn. He offers rare insight into how these fishermen plied their trade, led their
