Rankings and Accountability in Higher Education: Uses and Misuses Priscilla Toka Mmantsetsa Marope, Peter J. Wells, Unesco, Ellen Hazelkorn, 2013-01-01 The growing impact of university rankings on public policy and on students choices has stirred controversy worldwide This unique volume brings together the architects of university rankings and their critics to debate the uses and misuses of existing rankings With voices from five continents it provides a comprehensive overview of current thinking on the subject and sets out alternative approaches and complementary tools for a new era of transparent and informed use of higher education ranking tables *Rankings and the Reshaping of Higher Education* Ellen Hazelkorn, 2015-03-23 University rankings have gained popularity around the world and are now a significant factor shaping reputation This second edition updates Ellen Hazelkorn's first comprehensive study of rankings from a global perspective drawing in new original research and extensive analysis It is essential reading for policymakers managers and scholars

Handbook on Corruption in Higher Education Elena Denisova-Schmidt, Philip G. Altbach, Hans de Wit, 2025-09-10 This insightful Handbook provides an overview of corruption within the context of higher education Through a variety of international case studies theoretical frameworks and methodologies it examines the underlying issues involved in corruption as well as the damaging impact on scholarly cultures and the academic enterprise **Crisis in Higher Education** Mark A. Vonderembse, 2017-10-24 While many students parents educators and organizations who hire their graduates hold US universities in high regard the cost of higher education has risen much faster than the rate of inflation High costs in turn have severely limited access to higher education for large portions of the US population or caused graduates and those who fall short of graduation to face substantial student loan debt This book examines the root causes of these underlying problems and offers a comprehensive easy to understand high impact solution The book identifies actions that improve higher education outcomes including lower tuition costs better access for student from low and middle income homes faster throughput fewer dropouts and better job opportunities for graduates It links a real and implementable solution to the underlying problems and their root causes Upon finishing this book readers should understand why the performance of higher education needs to improve and have solid ideas about how to fix it The book focuses on public universities but the ideas discussed are also applicable to private for profit and not for profit universities The writing style is simple and direct
