Message to My Girl Jared Noel,David Wyn Williams,2015-10-01 With only six weeks to live Dr Jared Noel took on the most ambitious project of his short but significant life to document what it was like to die and to record his final reflections on where a young person facing the end of life could find hope value and meaning The result is extraordinary a deeply personal and highly inspirational story of purpose courage and love to the very end Jared was dying for almost six years but his determination to make a difference in the lives of others drew international attention first through The Boredom Blog his transparent reflections on the life of a terminal cancer patient and then through a crowd funding campaign to buy chemotherapy drugs that would keep Jared alive long enough to see the birth of his daughter Elise The campaign raised 170 000 in just a few days

and Jared was able to share the first eight months of his baby girl's life. In the final days of his palliative care at home, Jared was determined to leave Elise a special legacy: an account of his inspirational story and a faithful picture of the dad she would not know. Battling ever-mounting fatigue and sickness, he met with writer David Wyn Williams daily to record this honest, emotional, and profoundly insightful reflection on life, death, and everything in between. *How to Do Everything with iPod & iTunes, 4th Ed.* Guy Hart-Davis, 2008-01-04
