Performance Improvement Interventions Darlene Van Tiem, James L. Moseley, Joan C. Dessinger, 2006-04-17 Boost productivity and productivity with a real world improvement model In today's economic climate organizations are grasping for ways to improve efficiency and reach higher levels of performance without cutting into budgets Performance Improvement Interventions Enhancing People Processes and Organizations through Performance Technology is a comprehensive guide to doing more with less From job analysis personal development and communication to organizational design human resource management finance and more this book provides salient guidance on real world solutions based on the International Society for Performance Improvement's Human Performance Technology model

Performance Consulting Dana Gaines Robinson, James C. Robinson, 1996 To meet increasingly demanding organizational goals human resource departments must shift from traditional training methods i.e. what employees learn to performance consulting i.e. what employees must do to achieve those goals Authors Dana Gaines Robinson and James C. Robinson who consult in this field present this intriguing assertion in a rather abstract and wordy book Thus this is a better volume for serious study than for casual perusal The book gives you in depth research and information on the complicated process of transforming your training operation to performance consulting The book contains numerous graphs guides and checklists as well as a helpful resource section listing Human Resources associations and workshops getAbstract recommends this book to those involved in human resources particularly training specialists training coordinators instructional systems designers consultants and career and organizational developers as well as managers and media specialists
